Bruno Sammartino and Ivan Koloff vie for an early advantage in their wild, bloody encounter in Madison Square Garden which ended in a draw after 20 minutes of the wildest action ever seen in Gotham.

The World Wide Wrestling Federation heavyweight champion sets up his Russian challenger prior to slamming him to the mat.

WITH 25,000 IN GARDEN

SAMMARTINO, KOLOFF HAMMER TO DRAW IN SEA OF BLOOD

By Jack Welsh

Sammartino calls on all his super strength as he prepares to slam Koloff into the opposite corner.

IT is hard to imagine what Bruno Sammartino and Ivan Koloff could possibly do for an encore in future matches. And there is no question Promoter Vince McMahon will be bringing these titans back again and again.

McMahon is an imaginative mat impresario who believes what the public wants, the public gets. And the citizens of Gotham definitely want Bruno and Ivan in opposite corners early in 1976.

Sammartino reigns as World Wide Wrestling Federation champion and there is no question he is New York's kingpin at the box office.

BRUNO, IVAN BLINDED, BOUT STOPPED BY REF

The affable Italian put his crown on the line against Koloff last October and there were 25,202 patrons screaming wildly in Madison Square Garden; that figure included 3,112 who watched the action on closed-circuit telivision in the adjacent Felt Forum.

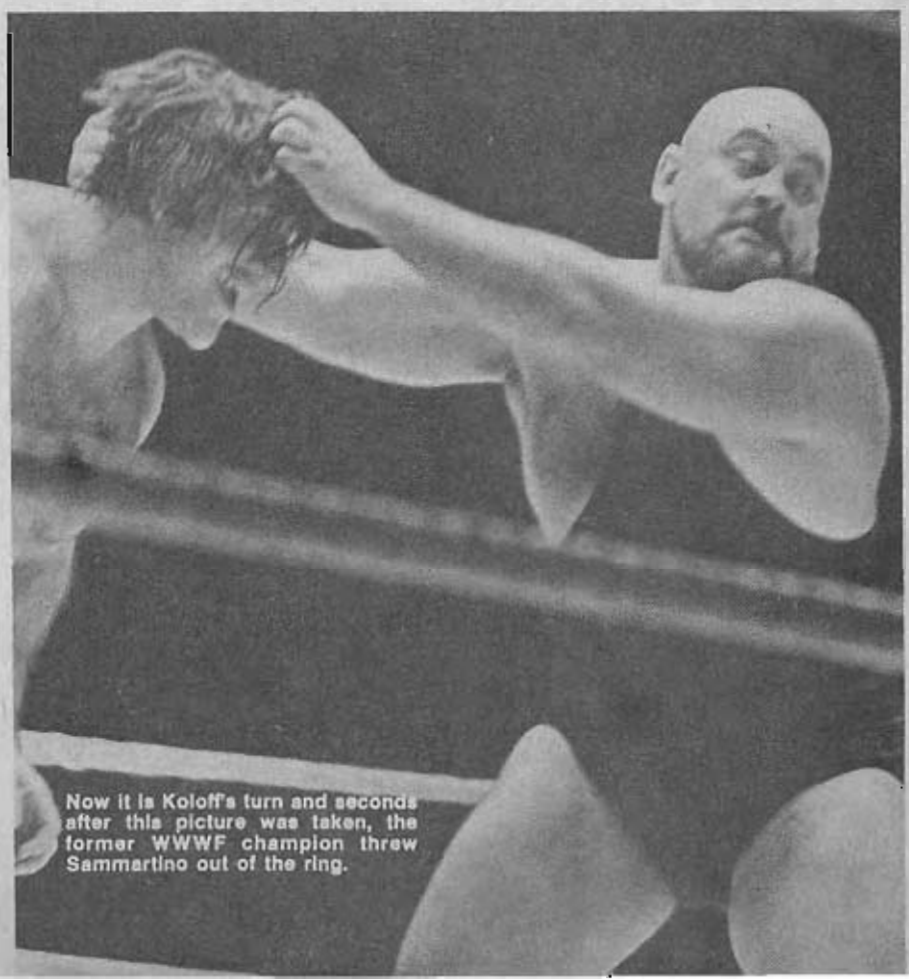
It had to be one of the all-time great encounters for a test of strengths, brutality and blood. Sammartino and Koloff looked like walking advertisments for the Red Cross when the referee stopped the bout after 22 minutes and declared it a draw with both wrestlers bleeding profusely from cuts on the forehead.

Sammartino and Koloff pulled out all stops and asked nor gave no quarter throughout the torrid combat. Bruno has now faced Koloff twice in the Garden and has yet to beat him there although he had twice defeated the Russian coming up to their first title match on Jan. 19, 1971.

Ivan took Sammartino's crown that night in what many experts have called "The Upset of the Century". However, it was only three weeks later that Pedro Morales knocked Koloff off the throne.

Morales later lost the title to Stan Stasiak who was ultimately defeated by Sammartino.

After losing the heavyweight laurels to Koloff, Sammartino confined his mat assignments to the Pittsburgh area where he has established a permanent home. However, Bruno faced Ivan again after the Russian menace had lost the championship to Morales.



Now it is Koloff's turn and seconds after this picture was taken, the former WWWF champion threw Sammartino out of the ring.

BEAT SKYROCKETING GAS AND SERVICE COSTS!

PUT ELECTRONICS IN YOUR CAR

AND GET MILLIONTH OF A SECOND TIMING

CARS TESTED BY INDEPENDENT LAB PROVED AVERAGE MILEAGE INCREASE WITH SENTRY WAS 15.1%

- SENTRY ASSURES FEWER TUNE-UPS—BETTER RUNNING CAR
- PLUGS AND POINTS LAST UP TO 3 OR 4 TIMES LONGER

YOUR CAR'S IGNITION SYSTEM

70 years ago Kettering invented the battery coil (conventional ignition) system. The invention was so basic there has been no major changes since he invented it for the early Cadillacs. With engines of years ago it was just fine, but today electronics is the way to go, and Detroit just proved it by converting ALL 1975 MODELS TO ELECTRONICS IN THEIR IGNITION SYSTEMS.

From 1973 on, Chrysler has used electronics on all their U.S. made cars. **NOW ALL** 1975 cars use electronics in their ignition systems. Why? Because of the new engines ... the pollution control devices and difference in gasoline, conventional ignition is not adequate. More precision timing is needed.

THE CARS THAT NEED IT MOST DON'T HAVE IT

120 million cars, 1974, and older, need the micro second timing (YOU CAN GET IT FROM THE SENTRY ELECTRONIC SYSTEM)

The SENTRY ELECTRONIC SYSTEM increases the time current flows to your coil by up to ½. It's all solid state - SCR (Silicon Controlled Rectifier) circuitry turn on the current to your coil millionths of a second after the spark is produced, allowing more time for your coil to CHARGE TO THE MAXIMUM AND GENERATE A HOTTER, FATTER SPARK AT ALL SPEEDS. THIS "SUPER SPARK" GIVES YOU BETTER MILEAGE, MORE POWER, CLEANER OPERATING SPARK PLUGS, LONGER POINT LIFE, AND LONGER TIME BETWEEN TUNE-UPS.

FITS PRACTICALLY ALL CARS AND TRUCKS

The SENTRY ELECTRONIC SYSTEM fits practically all pre-1975 cars and trucks using the conventional 6 or 12 volt negative-ground ignition system. Not for use on any 1975 car, 1973-74 Chrysler products, or diesel engine. If you have one of the more than 120 million conventionally equipped cars on the road today, you can add electronics to your automobile with the SENTRY ELECTRONIC SYSTEM.

TO INSTALL THE SENTRY ELECTRONIC UNIT all you do is loosen two screws – connect two wires – and tighten those screws up again. If you can do that you can install your SENTRY ELECTRONIC SYSTEM.

WHAT IS THE SENTRY ELECTRONIC SYSTEM?

Can it really give you a better car, cheaper and cleaner to run? A car that will save you the expense and headaches of periodic tune-ups? A car that will help you avoid the regular hassles with spark plugs, coils, points, timing and most other ignition problems?

I claim that if you install electronics in the ignition system of your present car, you will correct many of those things and a lot more! And I know I would be a damned fool if I expected you to take my word for it. But you'd be a bigger fool if you didn't give me five minutes to prove I'm right or fall flat on my face trying!

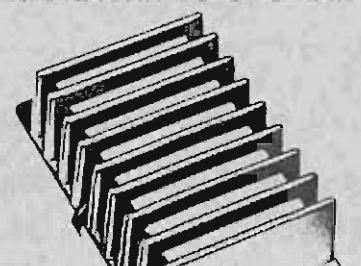
THE IGNITION SYSTEM IS THE BEATING HEART OF YOUR ENGINE

There are millions of people who would be hopeless invalids if they did not have a "pacemaker" planted in their body to TIME their heart beat. That heart patient bets his life that each beat will come at exactly the right split second because his "pacemaker" is timed 100% by electronic impulses.

In living things, TIMING IS CONTROLLED BY NATURE'S ELECTRIC IMPULSES IN THE BRAIN! BUT IN YOUR CAR THIS CRUCIAL FUNCTION IS NOT ELECTRONIC IMPULSE CONTROLLED ... IT IS MECHANICAL.

The ignition system of your car "beats" more than 12,000 times per minute. Because those "beats" are mechanically controlled, you can bet that not one of them will be on the exact split second. That's one of the reasons no Detroit car has ever operated at more than 60 to 80 percent of efficiency. AFTER 70 YEARS OF DEVELOPMENT BY THE DETROIT GENIUSES, EVEN WHEN YOUR CAR'S TIMING IS RIGHT, IT'S WRONG!

SENTRY ELECTRONIC SYSTEM



And guess who pays for this? That's right, you and I. And now you're going to pay even more. GASOLINE PRICES ARE SKYROCKETING AND WILL CONTINUE TO SKYROCKET. WE IN AMERICA MAY SOON BE PAYING EUROPEAN PRICES FOR GASOLINE.

A CHAIN IS AS STRONG AS ITS WEAKEST LINK

Your ignition system is a chain of electrical impulses from the generator to the spark plugs. The generator (or alternator) is a simple battery charger. Its job is to keep your battery fully charged at all times. The battery puts out 12 volts. But your engine needs up to one hundred eighty million volts per mile! The coil steps that 12 volts up to twenty thousand volts at the spark plugs. The breaker and condenser work together to switch off the flow of electricity from the battery to the coil 2000 times per second. It is that micro second switch-off that pushes the current from 12 volts to over 20,000 volts. The distributor "distributes" this huge burst of electrical energy to the spark plugs, as many as 12,000 a minute. The spark plugs take that spark and put it into the firing chamber to explode the air-gas vapor that runs your car. If every single step is timed to the exact millionth of a second you have a big, clean, hot spark delivering maximum combustion.

But if that combustion comes too soon, much of the power you have generated is wasted. If that combustion comes too late the piston is already part way down. Again much of the power is dissipated! There is one split micro-second* when the combusting gas meets the piston at the exact time. Only then is all the potential power used to provide the maximum force to move your car!!! ONLY ELECTRONICS CAN DELIVER THAT MANY SIGNALS PER MINUTE TO YOUR COIL AND DELIVER THEM TO THE EXACT MILLIONTH OF A SECOND! THAT, MY FRIEND IS TIMING!

*A micro-second is one millionth of a second

WHEN YOU ADD SENTRY ELECTRONICS TO YOUR FUEL IGNITION SYSTEM IT ISN'T A MIRACLE. (IT ONLY SEEMS LIKE ONE)

You put more spark into the plugs, especially cruising at higher speeds. That means extra brute power – NOW! Your car is more responsive. That means flashing getaway at the light changes, instant response for passing, for hills, for pulling, for whenever you need power—NOW!

You get cleaner, hotter, more complete combustion. The performance of your car will get sharper and sharper as your spark plugs and engine clean up! (The same principle as the self cleaning oven.) You will extend spark plug life up to 3 to 4 times because of that supercharged spark.

I'VE GOT A PROPOSITION YOU CAN'T REFUSE

Look – I've done everything but take you by the hand and walk you through your engine while it is running. So – if I've made sense to you and if you will follow our simple instructions and test your engine for power, acceleration, mileage and engine cleaning, whether it's on your car, boat, truck, tractor or any other internal combustion engine, here is my deal – forget the $100.00 to $150.00 that ELECTRONIC IGNITIONS cost as an option or an "add-on". It is our plan to mass produce the SENTRY ELECTRONIC IGNITION SYSTEM for sale to the public and to license its use, but first we must create the demand through your word of mouth advertising. Many SENTRY ELECTRONIC units have been sold at $19.95 – the price of a single tune-up. You'll save more than that on gas alone in no time at all. Right now the SENTRY ELECTRONIC UNIT will cost you only $9.95 with the special mail order coupon. If you have a second car you can SAVE 40% and get the second unit for only $6.00, total $15.95 for two SENTRY ELECTRONIC units –

ADD $1.00 FOR POSTAGE AND HANDLING ON EACH ORDER.

After you have used the SENTRY ELECTRONIC SYSTEM for 30 days you must be convinced that you are enjoying a new kind of driving experience, a new freedom from problems. If the SENTRY ELECTRONIC SYSTEM does not pay for itself over and over in economy, power and freedom from the tune-ups, send it back and get your money back by return mail.

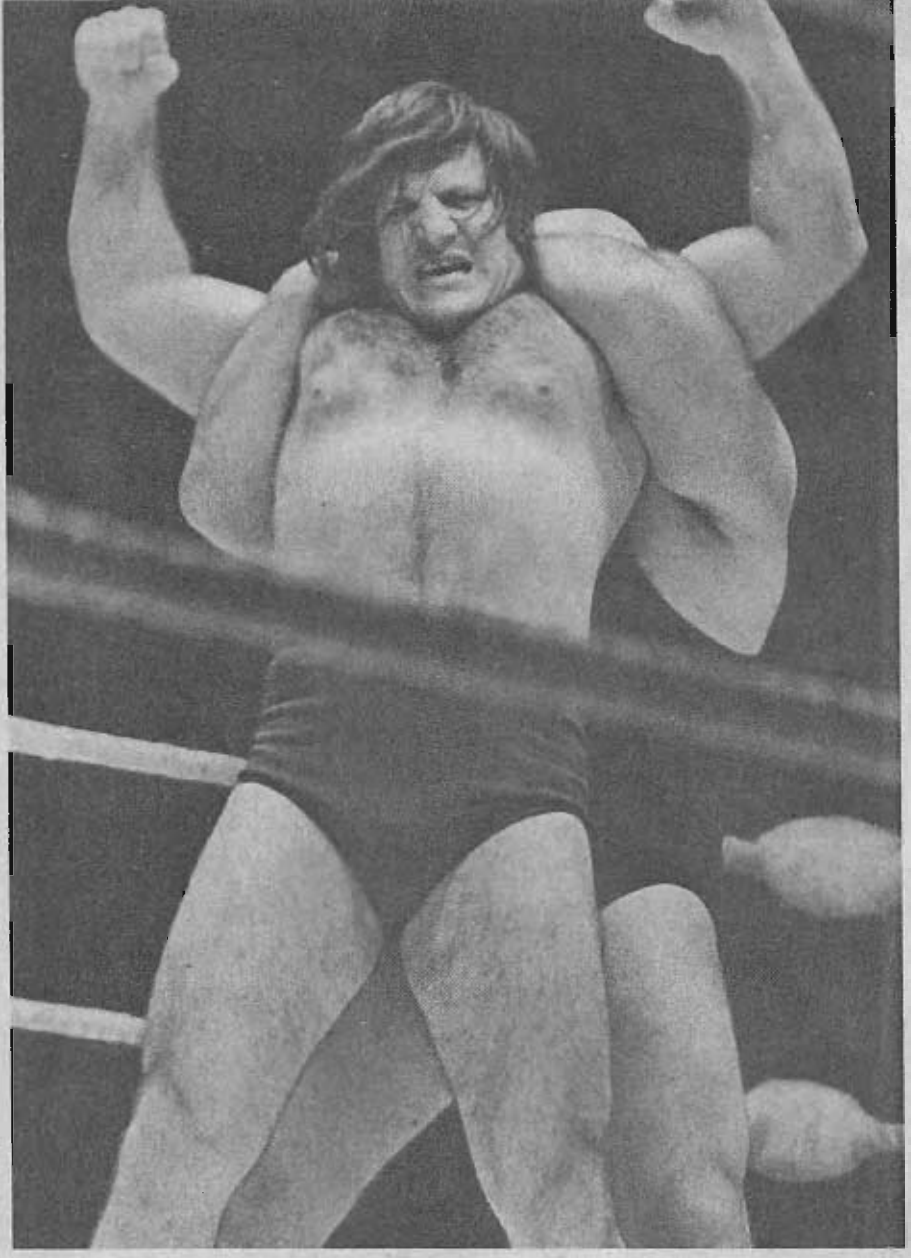
KOLOFF TOOK SAMMARTINO'S TITLE IN '71

Bruno is doing what he does best — catching Ivan in a powerful bear hug but deepite Sammartino's pressure, Koloff did not submit.



Ivan utilizes his 345 pounds to advantage as he has Sammartino trapped with a full nelson.

From the opening bell, the jammed-packed crowd sensed something special was in the offing as Sammartino and Koloff took turns gaining the advantage and then losing it.

Nineteen minutes elapsed with each arch rival taking turns rocking the other. Koloff appeared to have the advantage at this juncture as Bruno was deeply cut on the forehead and nearly blinded by his own blood.

But it was the sight of his own blood that enraged Sammartino and he ripped into Koloff with unbridled fury.

In exactly 60 seconds Ivan was similarly cut about the face and forehead and now bleeding as bad as Sammartino. It was an insane frenzy that saw Bruno and Ivan gouge, claw, scratch and pummel each other from ring post to ring post.

It was the epitome of gore and finally the referee stepped in and ended what he personally called "one of the wildest and goriest wrestling matches in the history of the Garden."

Both Sammartino and Koloff were disappointed that such a gruelling struggle had to end with neither man the winner. Yet when Bruno left the ring, the champion's legion of fans mobbed him like he was the winner.

The match was made in the Steel City and mat buffs in that area consider it one of the greatest bouts ever seen in Pittsburgh.

To no one's surprise Koloff threw the rule book out the window but Sammartino never lost his cool, preferring to bide his time until he could catch Ivan with a submission hold.

Bruno finally caught Koloff in a bear hug and used every ounce of his 265 pounds to render his adversary semi-conscious. Finally as the coup

Ivan Koloff is seen here with manager Rene Trudeau during the former's reigns as WWWF kingpin.

MATCH CALLED GORIEST EVER IN N.Y. ANNALS

de grace, Sammartino picked up Koloff — all 345 pounds — and tossed and into the third row seats.

The former champion was sidelined three months with multiple fractures.

Sammartino and Koloff met again on April 6, 1973 in Kiel Auditorium in St. Louis under the promotion of Sam Muchnick.

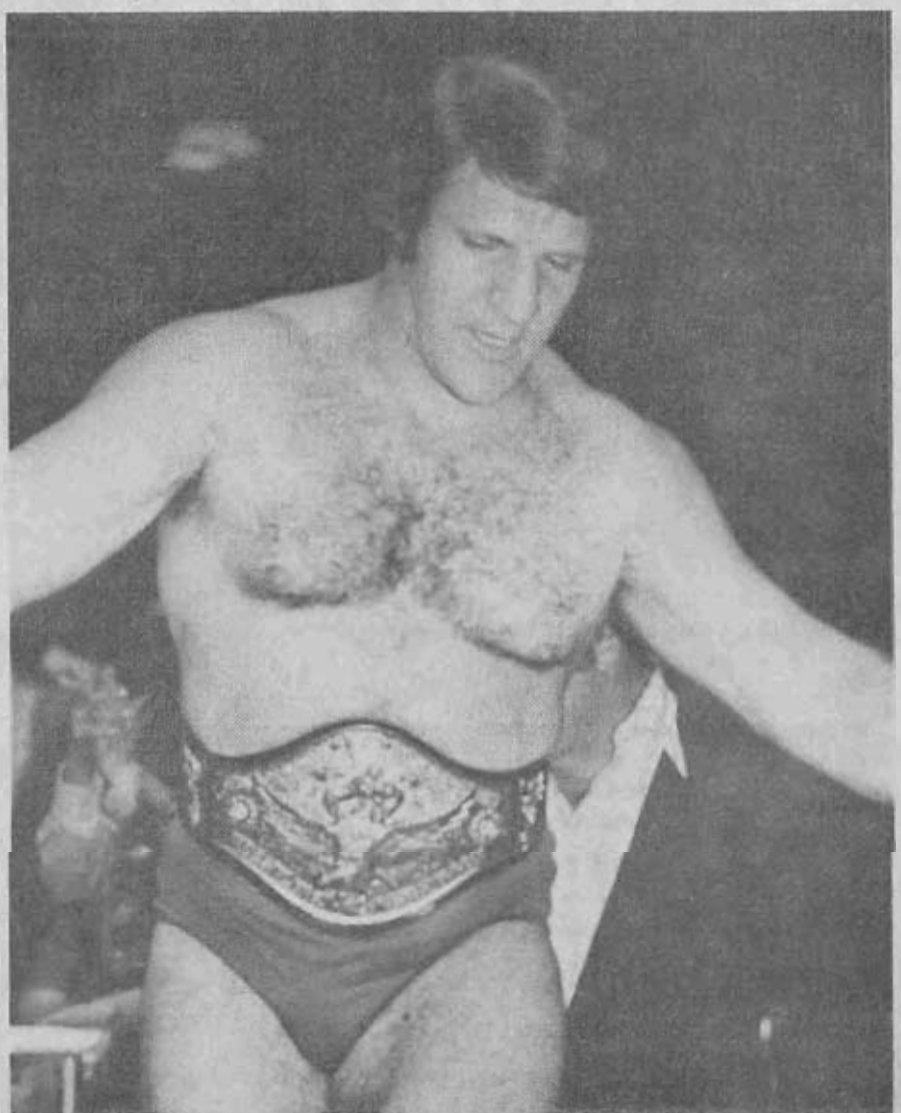
This was another test of super strength between two of the world's most powerful wrestlers but in the end it was Sammartino's punishing bear hug which forced Koloff to submit.

But for sheer drama and excitement none of the previous meetings surpassed their last clash in the Garden.

In two New York imbroglios, Ivan holds the edge with that upset victory in 1971 and now the blood-stained draw.

Sammartino won't rest as champion until he gets Koloff back in the ring again. And by the same token, Ivan is convinced he is the superior man — not only in wrestling but also in strength.

McMahon is anxious to give these super stars the chance to settle their differences once and for all. Now all Vince needs is coming up with a date suitable to both wrestlers' schedule.



Youngsters of all ages swarm around Sammartino as the champion leaves the ring after his draw with Koloff.

It is a languid, happy wrestlerette in one of the last pictures ever ta ken of Miss Janet X. whose promising mat career ended almost before it began.

TRAGIC DEATH ENDS CAREER OF WEST COAST BEAUTY

EDITOR'S Note: The following story actually happened recently and is accurate in fact and locale. However, in accordance with the wishes of the bereaved family, WRESTLING REVUE does not reveal the deceased's true identity, referring to her throughout the story as Janet X. One of the most promising young women wrestlers to come out of California in recent years had her career tragically ended when she fell 22 floors to her death from a Honolulu Hotel.

Miss Burke had just returned from a tour of Japan when she learned of the girl's death.

The last time Mildred saw Janet the statuesque beauty was in high spirits and had been married only six week earlier to a merchant seaman.

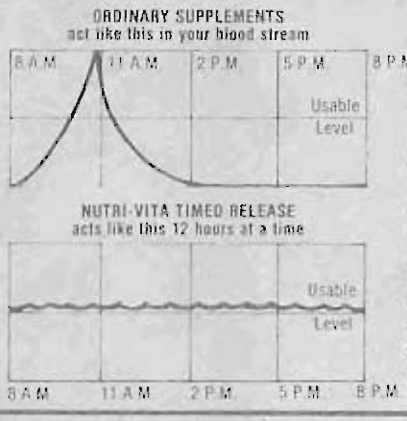
Revolutionary New Timed-Release Nutrient Tablet
AUTOMATICALLY REPLACES THE VITAMINS YOUR BODY USES UP, EVERY SECOND OF EVERY DAY!

Actually meters out 42 active vitamins, minerals and essential amino acids . . . hour after hour . . . in a continuous fresh supply.



These three biological breakthroughs make NUTRI-VITA dramatically more effective:

1. **TIMED RELEASE.** Ordinary tablets and capsules dissolve immediately and begin to leave the body. Nutri-Vita stays in your blood stream for all day, all night action.

2. **CHELATED MINERALS.** Nutri-Vita's minerals are biologically bonded to protein. This makes them more available to your system than ordinary mineral supplements.

3. **INGREDIENT ISOLATION.** Many vitamin and mineral combinations actually **neutralize themselves on contact**—in the tablet or in your stomach. Nutri-Vita's ingredients stay separate—**and effective** until your body uses them.

Vitamins, minerals and amino acids—are essential to human health. No wonder millions of Americans choose to augment their family's diet with a vitamin-mineral supplement every day.

But up to now, NO supplement could give you the vitamins, minerals, and amino acids you need **at precisely the moment you need them.** NUTRI-VITA does! Because unless **all** the right ingredients are furnished at the right time, many of the nutrients in the food you eat will be wasted.

SCIENTIFICALLY FORMULATED FOR MAXIMUM BIOLOGICAL VALUE. Fifteen years in the development, Nutri-Vita has been used and tested by hundreds of world champion athletes, and by ordinary men and women all over the country. They report increased endurance*, greater capacity to handle heavy work loads**, and less fatigue*** when using Nutri-Vita as compared to any preparation they used before. **Nutri-Vita even helps maintain energy levels while dieting****.

That's because Nutri-Vita's formulation is not only nutritionally superior in itself, it incorporates **totally new concepts** of manufacture that provide maximum biological value for your body.

Here is how this special nutritional supplement achieves the kind of superior action that has never been available from any tablet or capsule before:

ROUND-THE-CLOCK NUTRIENT PROTECTION. Vitamins (except A, D, E, and K) are water soluble and cannot be stored in the body for later use. Any excess is passed through the body and lost. With supplements that dissolve all at once, therefore, the vitamin level may quickly peak at far more than the tissues can use at any one time—then just as quickly sink to the previous level. So even though you take a high potency supplement **you may actually be vitamin starved for most of the day!**

Nutri-Vita tablets, on the other hand are timed release . . . **to meter out fresh nutrients constantly.** They rise to the proper level for maximum utilization in your blood, ready for your body to use them as it needs them—for up to 12 hours at a time. By taking Nutri-Vita just morning and night, you get round-the-clock nutrient protection that's substantially more available to your system than the same amount of vitamins in ordinary capsules and tablets.

POTENCY PROTECTED. Many products ignore the fact that certain vitamins and minerals are chemically incompatible and react very readily to neutralize each other. That is why all of the ingredients in a Nutri-Vita tablet are **isolated** from each other by a special patented process. This keeps them potent until the moment of absorption into the blood stream, where deactivation is no longer a problem. With Nutri-Vita, **your body gets what the label says.**

Nutri-Vita is many times more active because, we use a process known as chelation (from the Greek "kelos" for claw). In it, minerals are bonded to protein with a biochemical "claw." Masked by the protein, the minerals now seem organic to your body and are readily absorbed. This process is so effective that studies have shown chelated minerals to be more available to the body than ordinary minerals. All minerals in Nutri-Vita are chelated.

PLUS ALL THE ESSENTIAL AMINO ACIDS. Proteins are the building blocks of tissues. And amino acids are the building blocks of protein. Those amino acids which the body cannot manufacture for itself are called essential amino acids and must be furnished every day. Nutri-Vita releases the eight essential amino acids into your blood stream all day long—ready at meal times and snack times to help complete the proteins in the food you eat.

Famous National, Olympic and World Record Champions Compare Nutri-Vita in these unsolicited comments:

"Strength has increased without a concerrent weight increase."
Richard B. Watson—Two-time N.J. Decathlon Champion

"Personally, my teammates . . . and I can feel the beneficial effects of Nutri-Vita hours after ingestion . . . the inclusion of protein (maintains) energy levels while dieting."
Richard E. Morris**—Greater Atlantic Coast Powerlift Champion, 1974**

"Our crew was introduced to Nutri-Vita . . . while we were preparing for . . . the Royal Henley Regatta in England. I was very impressed with how the oarsmen responded. They seemed to recuperate faster and their overall fatigue level was improved."
Gary Kilpatrick*—Varsity Lightweight Crew Coach, Princeton University**

"Nutri-Vita (makes) hard work seem a lot easier. As I am not a chemist, I can not understand how it works, but as an athlete, I know it does work."
Carl Barisch, Cleveland Browns

"I have used Nutri-Vita for over two years now, and have felt quite a difference in my training and performance. Nutri-Vita helps recovery time and increases endurance."
Fred Samara*—1975 National AAU Decathlon Champion

"We used (Nutri-Vita) with both university swimmers and age group swimmers. The most noticeable effect being increased capacity to handle heavy work loads in training . . . Excellent and a valuable asset to athletes."
William Farley—Varsity Swimming Coach, Princeton Univ. Coach, Eastern Collegiate Swimming Championship Team, 1973, 1974**

IMPORTANT NEWS IF YOU SMOKE. Tobacco and vitamins are antagonists. A cigarette destroys vitamin C in your system. Nutri-Vita helps protect you against such deficiencies by constantly releasing a fresh supply of vitamins after every cigarette. It's the round-the-clock source of all the nutrients your body is known to need, in the form it can use them best.

NUTRI-VITA WILL WORK FOR YOU OR YOUR MONEY BACK. Would you like to provide your family with "vitamin insurance"? Nutri-Vita can give you the help you need. Because Nutri-Vita provides large doses of nutrients in a concentrated form every hour of every day. That way your body selects exactly the nutrients it needs at exactly the moment it needs them. Doesn't this make much more sense than assaulting your system with a massive dosage of vitamins once a day, many of which will be simply excreted?

See for yourself whether Nutri-Vita helps make you and every member of your family feel the way famous athletes say it makes them feel . . . "Stronger and more energetic hours after they take it." Nutri-Vita makes sense to them. Try Nutri-Vita for 30 days and see if it doesn't make sense to you, too. Satisfaction guaranteed or your money back of course.

NUTRI-VITA Timed Release Nutritional Supplement

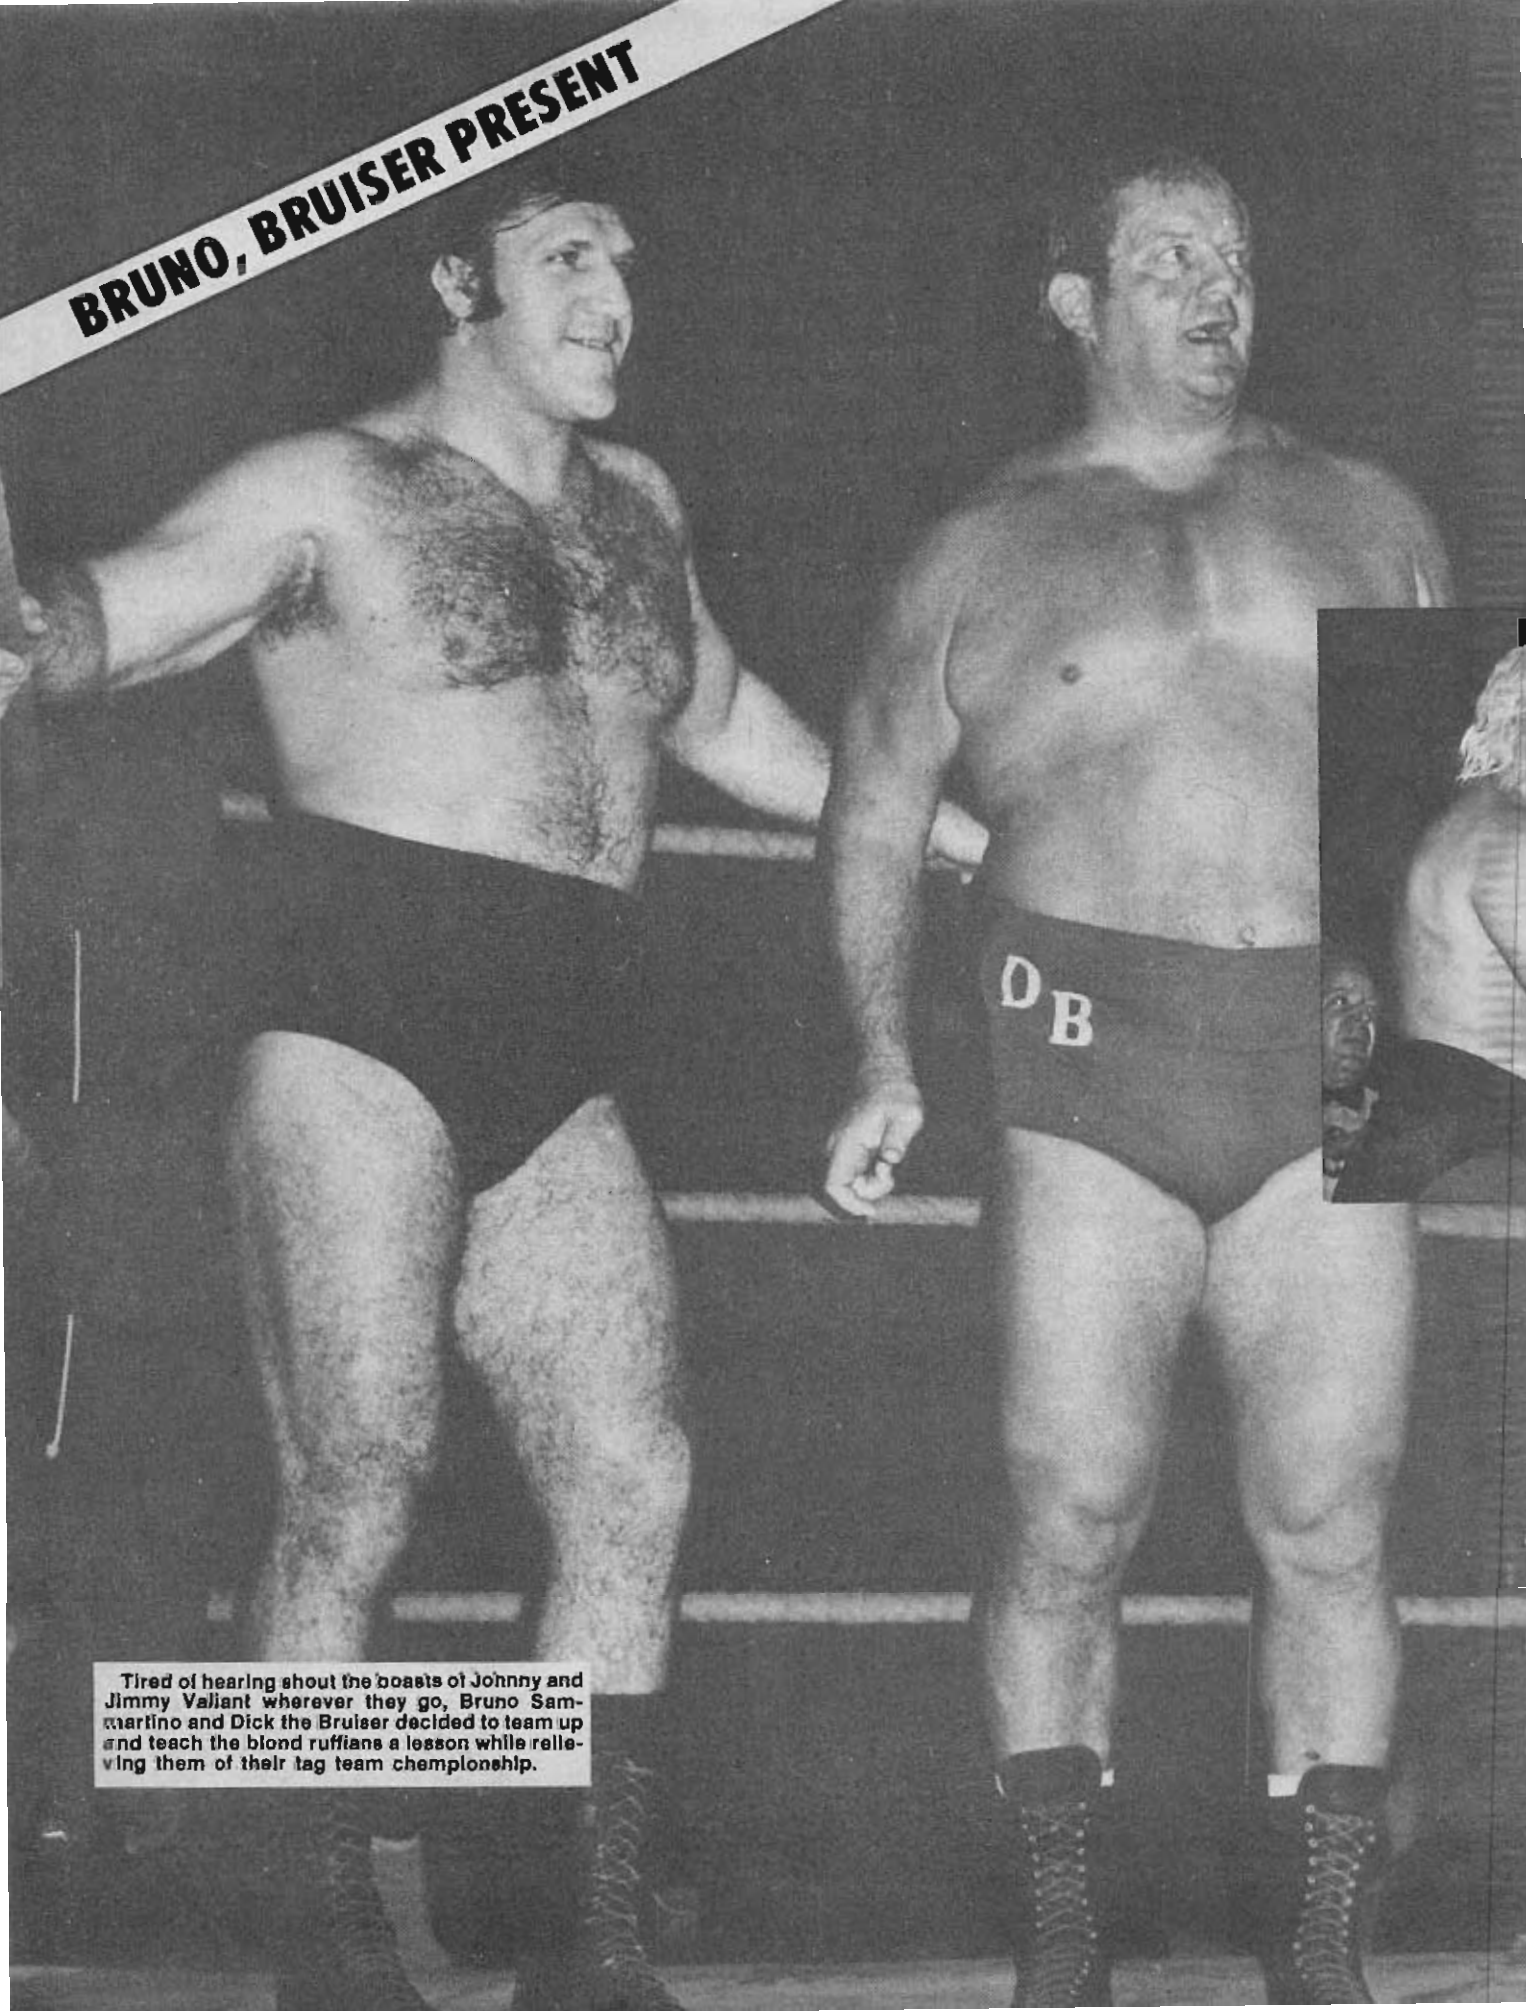
BRUNO, BRUISER PRESENT



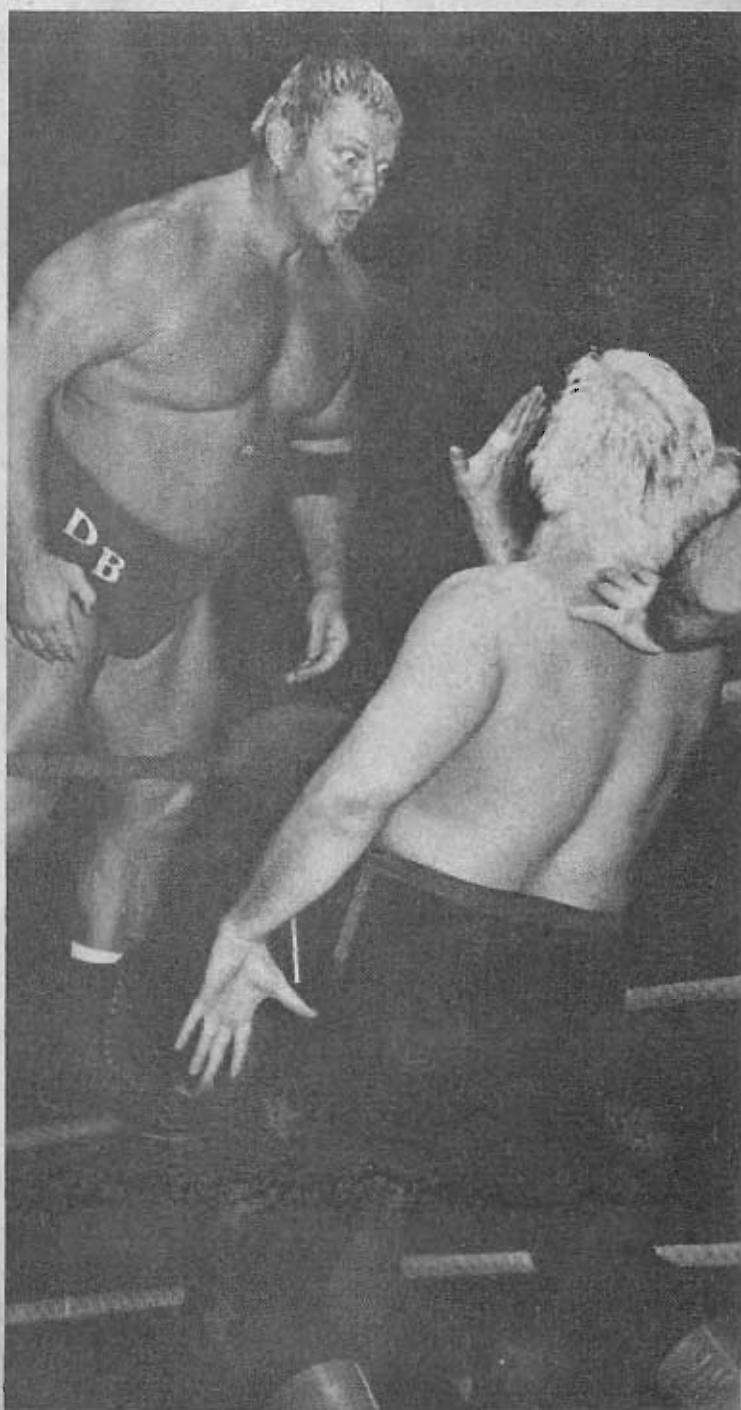
Tired of hearing about the boasts of Johnny and Jimmy Valiant wherever they go, Bruno Sammartino and Dick the Bruiser decided to team up and teach the blond ruffians a lesson while relieving them of their tag team championship.

THE NIGHT JOHNNY AND JIMMY WEREN'T SO VALIANT...

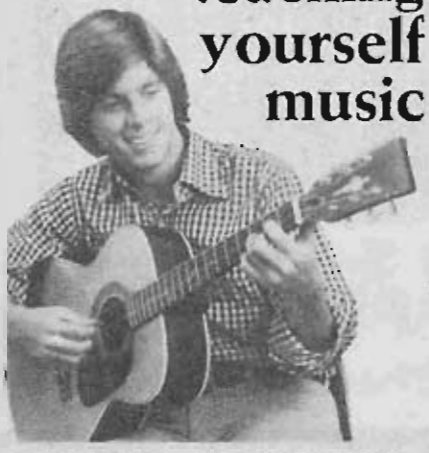
The Valiants waste little time with their tricky combinations as they try mightily to smash the Bruiser's stout head into the turnbuckle.

The Bruiser has recovered and now uses his sledgehammer — like fist to massage the head of Johnny Valiant.

Sammartino moves up behind Johnny as Bruiser mesmerizes a reluctant Valiant while standing on the middle rope strand.



The secret of teaching yourself music



Learn piano, guitar, etc., at home in spare time

It may seem odd at first—the idea of teaching yourself music. You might think you need an expensive private teacher to instruct you—and to tell you when you make a mistake.

But, the fact is, you don't. Thousands have learned music with the lessons we give by mail. So can you.

The secret lies in the step-by-step way our lessons teach you. Starting from scratch, they show you with simple words and pictures exactly what to do. You learn to play the right way – by note, from sheet music. Without gimmicks.

But how do you know you're doing it right? Easy. A lot of the tunes you'll practice first are simple songs you've heard before. Since you know how they're supposed to sound, you can tell when you've "got them right."

By the time you go on to more advanced pieces, you'll be able to tell if your notes and timing are right, even without having heard the songs. Before too long, you'll be playing different kinds of music: ballads, old favorites, show tunes, or hymns.

For more information about this convenient, economical way to learn music, mail the coupon. We'll send you our free booklet, "Be Your Own Music Teacher" and a free "Note-Finder." No obligation.

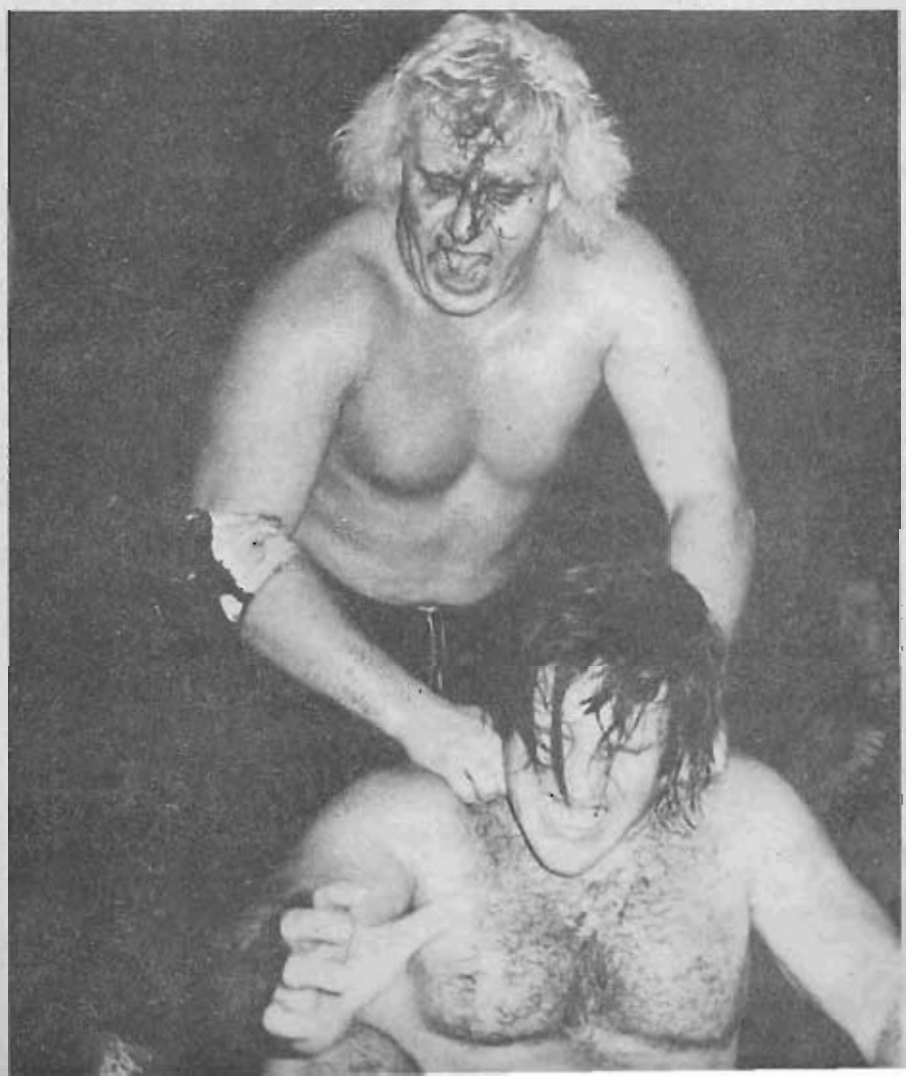
THE NIGHT JOHNNY AND JIMMY WEREN'T SO VALIANT . . .

The hand of Bruno rests on the shoulder of Jimmy Valiant and that means big trouble unless he can escape to the safety of the ropes.

A bloody Johnny has Sammartino grimacing in pain as he tries to employ a nerve hold on the W.W.W.F. heavyweight champion.



How about this for a terrorizing combination — Bruno Sammartino and Dick The Bruiser!

The world's strongest super star pairing with wrestling's most vicious and brutal competitor.

Their target — Johnny and Jimmy Valiant, the World Wide Wrestling Federation's tag team champions.

If they weren't so egotistical and cocky, one could also feel a twinge of sympathy for the peroxide procrastinators in facing the awesome duo of Bruno and the Bruiser.

This combination could appropriately be labeled the "B" boys which stands for blood. And that's just what the Valiants got.

What else could you expect — considering Sammartino's tremendous strength and overwhelming offense blending perfectly with Dick the Bruiser's penchant for gouging eyes, biting, kicking, and in general wrecking havoc on anyone who in general dares pose as an opponent.

Johnny and Jimmy Valiant didn't alter their style for this championship defense but in face of such powerful opposition, the blonde bombers were spurred to new heighths in brutality.

But the Valiants apparently forgot the time-honored Biblical adage. "An eye for an eye" for that is just what they got from Sammartino and Bruiser.

The pictures on these next four pages tell the full story but ringsiders were amazed just how much the winners looked like the losers...

Jimmy Valiant matches strength with manager Bobby Heenan.

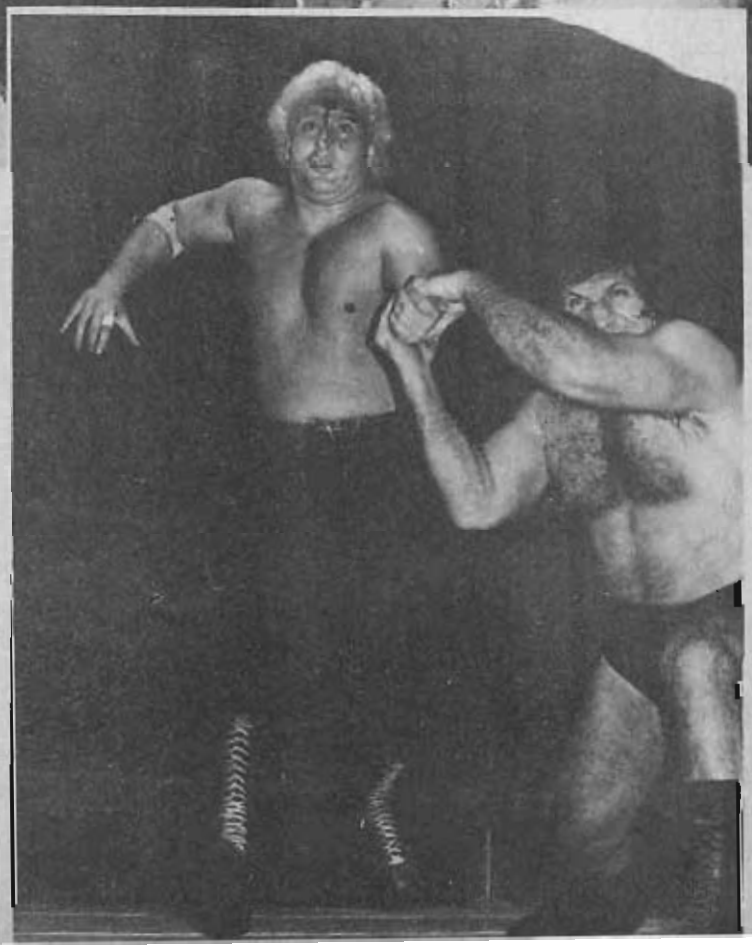
Manager Bobby Heenan is proud of his boys but Jimmy Valiant looks even worse than Johnny as blood covers his face, spilling onto his chest and arms.



Bruno uses his great strength to break free of Johnny's grasp and prepares to give the startled Valiant a free ride into the ropes.

THE NIGHT JOHNNY AND JIMMY WEREN'T SO VALIANT . . .

Sammartino and Bruiser continued to bloody the Valients at will but when Dick refused to heed the referee's warning regarding illegal tactics, it set up a disqualification and the Valiants were the official winners.

You'll never need to buy another pair of socks again – for the rest of your life! *(unless your laundry loses them)*

These revolutionary 8-ply socks are so indestructible... you can order FREE replacements – pair for pair – for any you ever wear out... anytime!

6 pairs ONLY $7.98

When our new merchandise man was offered an exclusive on these indestructible nylon socks, he called the manufacturer a liar.

"Can't be done!" he said. "If the socks are as strong and durable as you claim, they've got to be so stiff underfoot, they'll be unwearable!"

"Kitten-soft," said the manufacturer.

"Then they won't wash satisfactorily."

"Always come out like new," barked the manufacturer. "Permanent colors, lasting texture and shape."

"Or you'll weasel the guarantee," added our man, doubtingly.

"Unconditional!" snapped the manufacturer.

"What's the catch?"

"No catch, no secret!" said the manufacturer happily. "8-ply DuPont nylon — instead of the usual 4. Woven so closely, they make ordinary socks look like they're three-quarters air, by comparison! Styled by one of the world's greatest sock designers—for perfect proportion and fit. Guaranteed to wear forever, in normal use. That 'normal use' simply means don't burn holes in them deliberately, or try to cut them with scissors or razor."

We still had to be shown. So we got samples. And we wore them. And wore them. And machine washed them. And Laundromatted them. And tortured them. Like wearing one pair for a week straight—till we thought they'd drown in sweat.

Then we washed them -- with no sweat! They looked and felt like new. The socks didn't surrender. We did. They're for real — and forever!

So here they are. The forever socks. All black, or in a 6-pair assortment of smart solid colors to complement any wardrobe, 2 pairs black, 2 charcoal, 1 navy, 1 loden. Ankle length, with elastic tops for snug fit. Fit any size 10½ to 13.

6 pairs only $7.98

If you've got a slow laundry (or grown up kids), take us up on our discount dozen offer. 12 pairs — only $14.98. Same assortment (only doubled) . . . same forever guarantee!

KEN PATERA PROVES HE 'OUTWEIGHS' BILLY GRAHAM AS REAL CLASS GUY

By John Williams

Superstar Billy Graham, who considers himself unbeatable in that category, met Patera in a weight lifting exhibition at Winnipeg but is seen here straining to the limit to reach 455 pounds.

HOW TO COMMAND POTENCY

at will . . . with a series of simple mental and physical exercises, that take only minutes a day, BUT THAT MAKE YOU "ALL MAN" TO YOUR WOMAN ANYTIME YOU CHOOSE TO DELIGHT HER!

As easily and automatically as this . . .

Let us repeat this simple promise: A Method for Commanding FULL EROTIC POTENCY has now been discovered! And you may now learn it, in the privacy of your own home, without risking a penny!

How is this done? In these two scientifically-proven ways:

First, by gaining at last masterful control over the "switch" that connects your brain to your sex organs! So that you tap, at will, your buried love power! Replace sexual insecurity with total self-confidence! Gain instant arousal . . . become every inch the lover Nature meant you to be . . . actually find yourself performing better in bed than you can possibly remember from the very best era of your youth!

And — equally as important —

By deliberately strengthening those "forgotten muscles" that are used only in the act of love, and therefore grow almost useless in the average man after he leaves his twenties! And taking those hidden "support" muscles, and building in a few minutes every day such rock-hard strength into them that you will achieve at last complete mastery of your own virility . . . shown most dramatically in your new-found ability to maintain "staying power" for "unbelievably" long periods of time!

Does it really work? Can such a sexual transformation be achieved in such a short time? Read the DOCUMENTED CASE HISTORIES in this book, and see every shadow of a doubt vanish from your mind!

For example:

Read why 60 and 70-year olds, who had given themselves up as far as the bedroom was ever concerned again, have suddenly found themselves MORE sexually-active . . . MORE sexually-alive . . . MORE sexually-competent than they were at their 30 or 40-year-old peak!

Read how one young man went through his first twenty-some years thinking continually that he was "born to be" a "sexual cripple". And then read how — only a few short months later — one of his girl friends said in a research-interview: "Once a woman has been with a man like Eric, all other men seem second-rate"!

Read of the 70-plus year-old man who now keeps several girl friends busy . . . including one 23-year-old beauty who is perfectly willing to admit to anyone that THIS man is (to use her own words) "terrific" in bed!

And then go on to duplicate these men's transformations with your own! And build a massive virility into your own body with ingenious "training devices" like these . . .

The first step: The simple "Potency-Restoring Ritual" that costs nothing . . . is completely private . . . gives extreme pleasure while you use it . . . and may have your woman gasping in surprise that very same evening!

What to do about "sexual hang-ups"! How to "De-Block your Turn-On Channels" — in minutes!

How to take your "Ecstasy Nerves" out of deep-freeze! In other words, FEEL two, three and four times as much pure sensation from every minute of love . . . at exactly the same time that you have rigid control over every reflex in your body, so you can CONTINUE that sensation as long as YOU wish to continue it!

The safest, and easiest, way to prevent prostate trouble.

How to keep the Youth Juices flowing in your body! In other words, use these simple exercises, not only to make you a master in bed, but also to "Re-Landscape" your face and body so you may have to reject more offers than you accept!

Sexual Breathing! Known by the Yogas, but almost completely forgotten in our day! (One of its many uses — to remove, for good, the false limitation that keeps you now from making brilliant love for hours . . . or, if you so choose, all night!)

Super Circulation! Perhaps the most startling technique of all! How, in essence, to "re-direct" massive blood flow to ANY part of your body, and therefore achieve a solidity and expansion that you may not have dreamed possible before!

But this is still not all! Now this amazing volume goes on to give you ALMOST-HYPNOTIC POWER OVER WOMEN, from the very first moment you meet!

But mastery of your own body is incomplete unless it is combined with mastery of the other person's body (and emotions) as well! So now you are given the final step: How to demand more . . . and more . . . and more from your woman, and make her love every step!

For example:

What women prize in a lover most . . . what they expect . . . what they fear . . . what turns them on and drives them wild . . . what non-bed actions allow them to trust you completely in bed! All gathered for you, in condensed form, from "shameless" interviews with hundreds of women all over America!

How to thaw out the lady who wears a "psychological chastity belt"! Snap her out of her "sexual shock" for perhaps the first time in her adult life! Turn her on completely, so she'll do with you what she'd never think of doing with anyone else!

How to spot the highly-sexed woman, before you even begin talking to her! (No, she is NOT promiscuous! She saves her abandon for special man. But, once you convince her, this way, that you're that man, then get ready for the greatest night of your life . . . for openers!)

How to let a woman know, without offending her in any way, that you will thrill her in bed, within five minutes after you meet her.

How to prepare a woman for unbridled love! (For example, on page 234 you will find a new method of kissing that may actually send her into spasms of ecstasy before you lay a finger on her body! And wait till you read the pages after that!)

So what you have here is a revolutionary new handbook, not only to massive sexual potency, but to complete mastery in bed! And it's yours to read from cover to cover, entirely at our risk!

Why not send for it, with the No-Risk Coupon, today. Your full money back, of course, if you are not delighted.

Can a woman teach men Super-Potency? The answer is an overwhelming YES!

Take a renowned teacher of "Psycho-Control" (the power of the mind, if properly trained, to completely master the vital functions of the body). Give her twenty-plus years of success in teaching both men and women to lose weight at will . . . break the cigarette habit at will . . . snap out of allergies at will. And then let her direct those same mind over-body discoveries to the most important "if-I-could-only-command-it" area of all!

What happens? Breakthroughs — documented again and again and again — for men of all ages, and all problems, gaining new-born virility they couldn't have believed possible only a few short weeks before!

Read these thrilling case histories yourself in Rachael Copelan's revolutionary new book — and read them entirely at our risk! And then take the exact same Potency Techniques that she is teaching for up to $100 a week in her nationally-famous Sex Clinic in New York City . . . and use them to transform YOUR sex life — today — entirely at our risk!

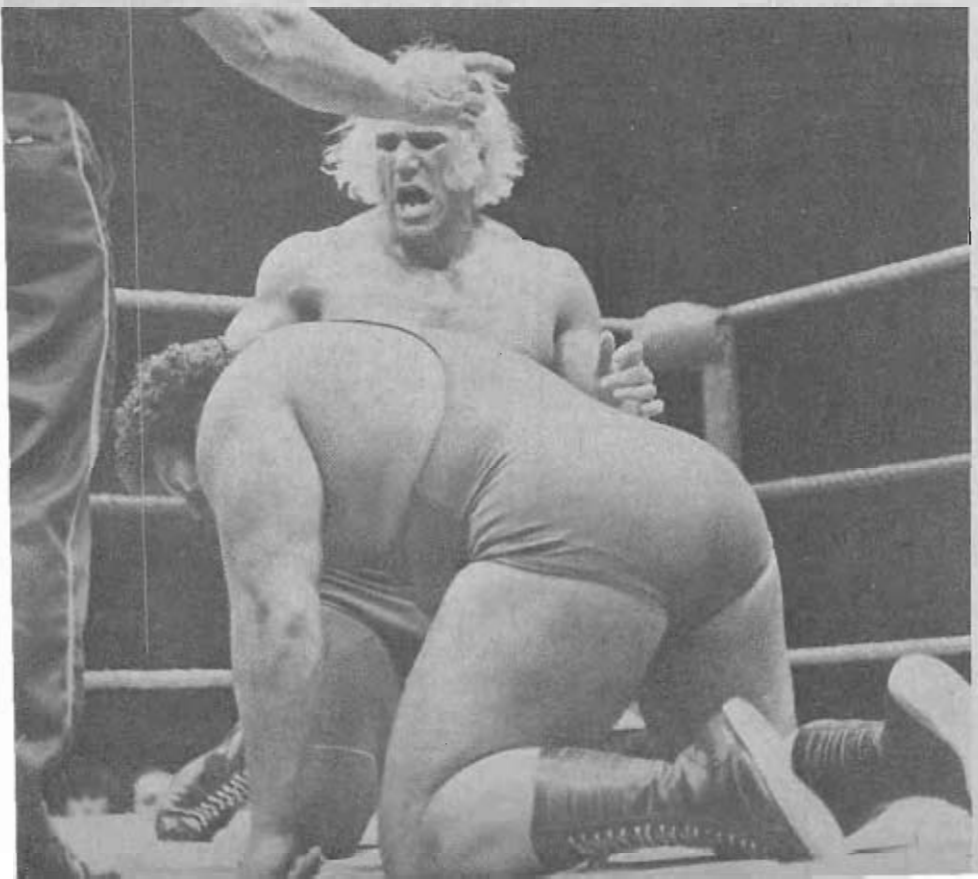
Prior to the exhibition, Graham has something to say to Greg, son of the American Wrestling Association's world champion Verne Gagne, while Patera looks on unimpressed.

BILLY Graham's super physique is surpassed only by his super ego. Wherever the blonde behemoth appears, his name is prefaced by "Superstar."

SUPERSTAR GOES WILD OVER DEFEAT



Graham also thinks of himself highly as an outstanding weight lifter not to mention his considerable prowess as an arm wrestler, a category in which he considers himself the world champion.

Billy conveniently ignores the fact that the official arm (actually billed wrist wrestling) championships are determined every year in Canada. Graham has never competed in such tournaments but that doesn't alter the braggadaccio style of the big fellow.

Not so long ago in Winnipeg, Graham got his comeuppance in the category of weight lifting and

An instant after Patera was declared the winner Superstar Billy attacked his rival while Ken still had the weights overhead. Fortunately, the former Olympian escaped without serious injury.

for the supreme ego maniac it was a bitter pill to swallow.

Whenever Graham and Ken Patera are appearing on the same program, they delight the ringsiders with an "extra attraction" by opposing each other with weights.

It isn't surprising that Superstar Billy more than has his hands full against Patera. Ken won a silver medal in the 1972 Olympic weightlifting competition at Munich, often pressing over 500 pounds.

Despite his spectacular victories in the ring, Graham has never pressed more than 455 pounds.

Graham has defeated Patera in straight matches with the exception of the times he has blown his cool and wound up the loser via a referee's disqualification.

Billy just can't stand anybody beating him at anything. The first few times Patera "outweighed" him in the liftings, Graham smoldered from within but managed to keep himself under control.

Finally the Winnipeg exhibition was more than Graham could take. Patera walked out to the center ring, easily pressed 465 pounds and nonchalantly brought the weight down to the canvas.

Graham jauntily strode to midring and tried to surpass Patera's feat. The best Billy could do was 455 pounds.

Ken did not gloat over his victory but offered Graham a second chance. This time the Superstar went first but again was straining to reach 455 pounds. The outcome was never in doubt as Ken again jerked and pressed 465 pounds.

Realizing he was obviously beaten again, Graham attacked Patera while he still had the weights overhead.

Promoter Al Tomko, plus the referees and other officials leaped to Patera's assistance since Ken did not expect Billy's unsportsmanlike gesture.

Fortunately, Patera was not seriously injured as he crumpled to the floor with the weights falling clear. Yet the handwriting has to be on the wall if Graham and Patera elect to display their weight lifting talents in the near future.

Patera basically prefers to follow the rules of sportsmanship but the next time Graham dares a sneak attack, don't be surprised if Ken drops the weights and leaves Superstar Billy's head swollen to even greater proportions — if such a thing is possible. ●

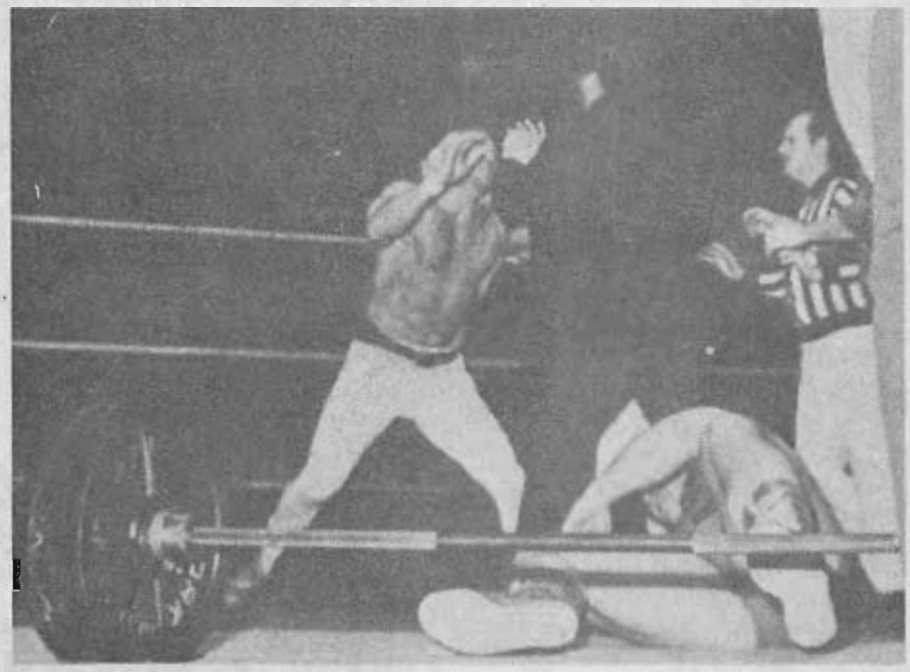
'72 OLYMPIC WEIGHT STAR PRESSES 465



An enraged Graham is intercepted by Promoter Al Tomko and the referees as a stunned Patera slumps to the canvas.

A dezed Ken Patera might be wondering "what happened" as Verne Gagne and others offer assistance. Note young Gagne is keeping watch that Graham does not renew his attack.

Superstar Billy Graham is determined to get at the man who embarassed him in weight lifting but three officials successfully manage to keep him away from Patera.

TWIN PROFILES :

JOYCE GRABLE, JAN SHERIDAN BUBBLY DUO AS WRESTLING'S CHAMPAGNE BLONDES

By Keller Evans

GOLFDOM was blessed with the colorful lifestyles of Champion Tony Lema until he was killed several years ago in an air crash outside Chicago.

Wrestling has it's counterpart in Joyce Grable and Jan Sheridan, who have earned the apt title "The Champagne Blondes."

Like Lema, the statuesque young women use the sobriquet as a box office gimmick since neither sample the bubbly.

Actually, Tony picked up the monicker from the media which was the recipient of cases of champagne every time he scored a major victory.

Perhaps Joyce and Jan are refraining from popping the corks until they achieve their dream-come-true... winning the world's women tag team championship.

Toni Rose and Donna Christinello have been claiming the distaff diadem but whether they have retained it as this issue of WRESTLING REVUE goes to press is problematical.

Ms. Grable and Sheridan are willing and ready to take on all rivals for a shot at the championship. They are a spectacular duo who figure — that's literal — to pack any arena where they appear.

Toni and Donna have faced the Blondes before and came away with the victory. Joyce and Jan aren't reaching for excuses in explaining the defeat.

"Joyce and I were just beginning as a tag team. We really hadn't had enough time to perfect our moves. Joyce had only been wrestling for a few months. We put up a good battle but it wasn't good enough. Things are different now and Rose and Christinello will find out how different if they are willing to get into the ring with us again." Jan said.

Since becoming the Champagne Blondes the girls' hair is the same shade, their wrestling costumes and shoes are identical. During the heat of the action, the referees of-

Jan Sheridan has her fist clenched and ready to jolt Peggy Patterson with a torrid right hand during their match in Atlanta. Meanwhile, Joyce Grable is almost standing on her head as she catches Toni Rose with a head scissors during their wild bout. The Champagne Blondes is an apt sobriquet for these good looking young women who delight the fans wherever they appear throughout the United States in their campaign to get a shot at the world's women tag team championship.

ten have a hard time telling them apart.

Joyce Grable comes in at 135 pounds with vital statistics at 36-24-37 while Jan, who has been a wrestling fan since she was 12, is virtually a carbon copy in sex appeal although she is slightly shorter at five feet, five inches.

Several years ago Joyce met Judy Grable, one of the top female wrestlers now retired. The latter began to tutor her new protege even giving her a last name which has helped her drawing power not to mention an assortment of Judy's sensational aerial maneuvers.

Joyce continues to improve with each succeeding match and the high point of her career came when she wrestled Fabulous Moolah, the woman's world champion, in Madison Square Garden.

"It is something we all fought for... Madison Square Garden is the very top in arenas. To think we would be appearing before over 19,000 fans...it's terrific," Joyce exclaimed.

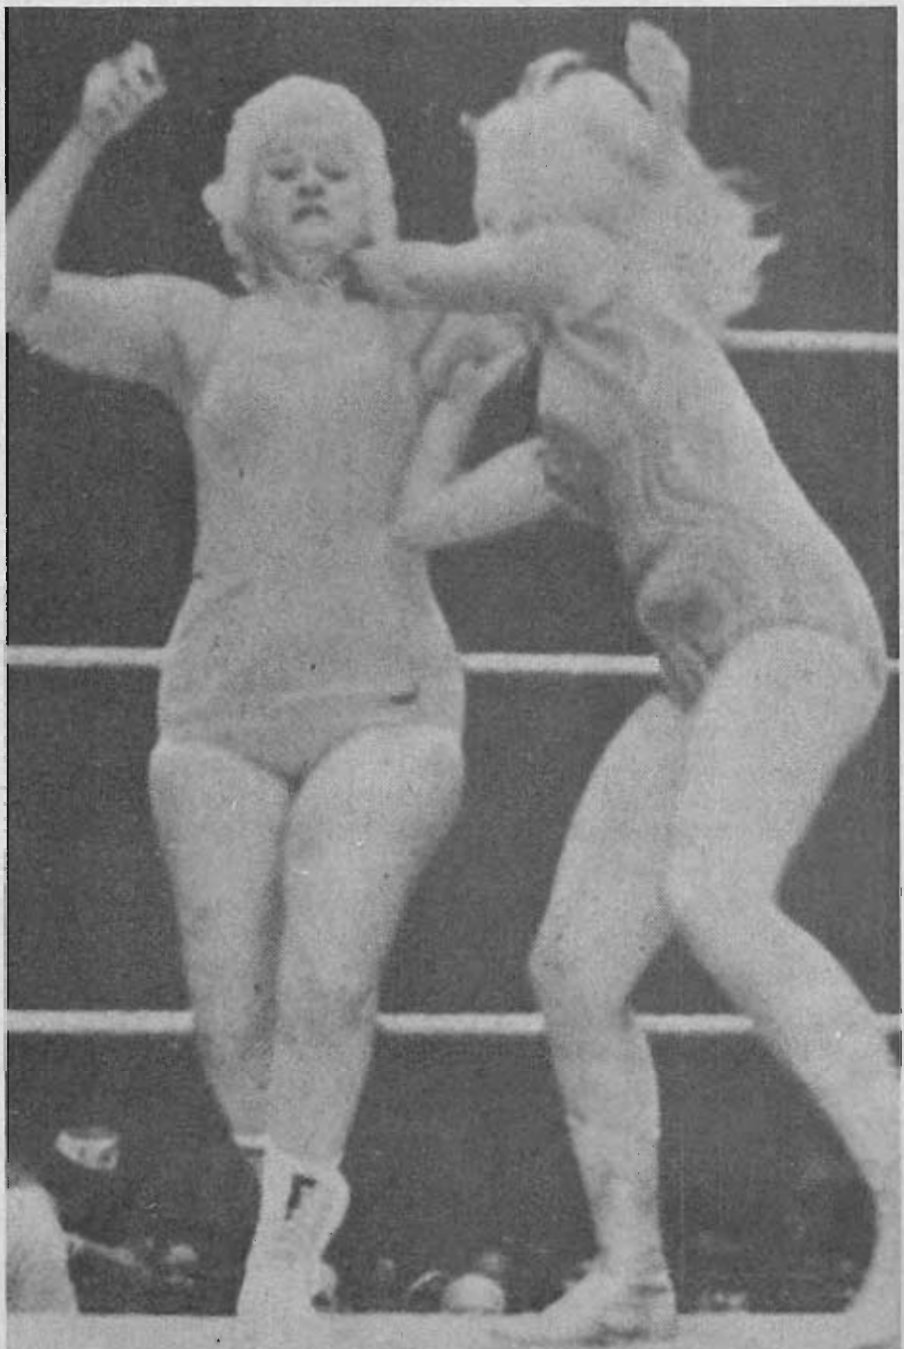
Ms. Grable came up with a top effort against Moolah but the latter's experience was too great.

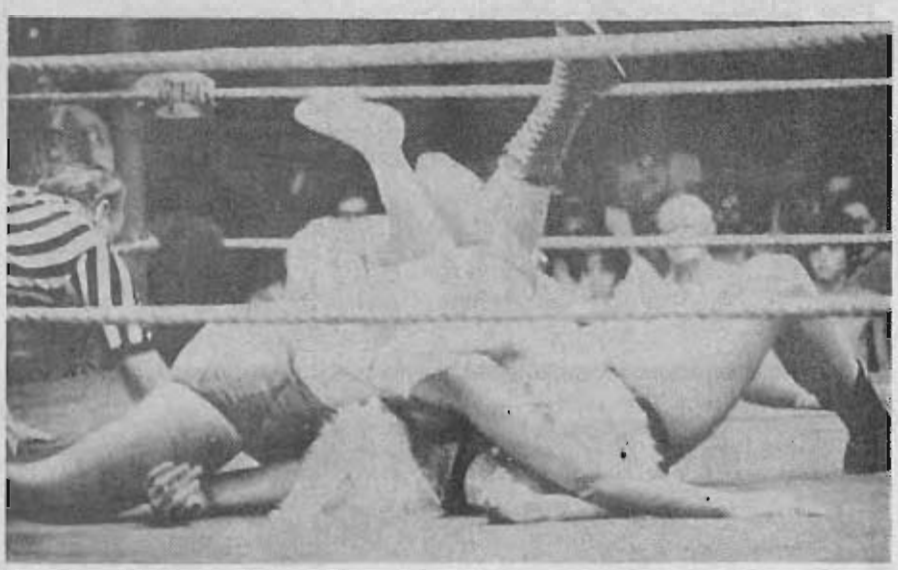
"I tried my best and I think I gave Moolah some tight moments but she is great. She has to be to remain champion so long."

In the beginning, Joyce wrestled without shoes because that is the way her veteran teacher started.

"Judy Grable always wrestled without shoes but after trying it for a while I decided to switch. I never felt comfortable being barefooted."

Joyce has made a big hit along the Atlantic seaboard and through-





The referee begins the count as Ms. Downs has Joyce on the verge of a pin but the latter managed to bridge out of the precarious position.

Jan can get rough if she has to and she proves it here by twisting the arm of Dottie Downs which brings the Garden turnout to its feet.

out southern states. She has no preference whether she wrestles singles or tag matches.

"Whatever the promoter wants is fine with me. Until I teamed up with Jan I really never had a steady partner. I did pair with Vicki Williams for some matches. Now that Jan and I are a steady team we would prefer tag bouts. But we're not passing up solo matches."

Jan has been a professional for more than five years and witnessed her first woman's match when she was eight years old.

"I just went crazy over wrestling. As I got older I decided that's what I wanted to be — a professional wrestler. No one really discovered me. I actually discovered myself. I saw the matches in person and on television. I was always pretty athletic," Jan explained.

Ms. Sheridan has faced and held her own with all the top names in the game — Fabulous Moolah, Paula Kaye, Tanya West, Peggy Patterson, Lucille Dupre, Vivianne Vachon, Dottie Downs, Toni Rose, Donna Christinello and Kay Noble.

"I have wrestled just about all the women that are in the sport except maybe five. One I would like to meet is Betty Niccoli who holds a title from another area and is a big star in the game. Of course, Fabulous Moolah has been my toughest opponent. I wrestled her in the Garden not so long ago and lost. I had her in trouble but I missed a flying head scissors and hit my head on the mat. Moolah then had little trouble pinning me."

JOYCE, JAN RATE MOOLAH TOUGHEST FOE

Jan hasn't escaped without injuries. In her match with Moolah, the vivacious young lady was sidelined six weeks. Dottie Downs put her on the ground for three weeks and she was out of action for a month after meeting Peggy Patterson.

Ms. Sheridan has a chipped bone on the right elbow plus chips in her right knee cap. She has had 21 stitches over her right eye, a broken ankle and pulled shoulder muscles.

"I'm not complaining. It's all in the business. After all wrestling is a rough sport and you figure to get hurt once in a while."

Joyce and Jan like to pile up their victories with the scientific approach if possible whereas their arch foes, Toni Rose and Donna Christinello, prefer the rough style.

Yet the Champagne Blondes aren't adverse to a brawling match if that is the way their opponents want it.

"We want this title. We know we can win it. We'll fight fire with fire if we have to. That title means an awful lot to us," the girls sounded like a chorus.

Jan's favorite hold is the figure four legvine.

"I'm the only female wrestler to use this hold, I've never taught the hold to Joyce because she has her own style and holds. One hold that we use together is the victory roll. We use this by sitting on top of the shoulders of our opponents and then falling forward. Our opponent is flipped over with us on top for the pin. We also use our dropkicks and flying head scissors very effectively."

Jan and Joyce pulled out all the stops with the aforementioned arsenal while taking on Dottie Downs and Peggy Patterson, one of the toughest tag duos in the business.

The Champagne Blondes emerged victorious after a hard-fought match but they reserved the right to withhold that very special toast until the night they reign on the throne as world's tag team champions. ●

ONLY A WRESTLER COULD DO IT

By Jack Welsh

IF ANTONIO THE GREAT ISN'T WORLD'S STRONGEST MAN, TRY PULLING 4 LOADED BUSES

Antonio The Great, who weighs 510 pounds and stands six-foot, four inches, is a gentle giant outside the ring but a real terror when the bell rings. The 42-year old native of Trieste not only manhandles his opponent but also tore off the referee's shirt in this action.

CONTRARY to popular belief Antonio The Great is really a human being. But if somebody wanted to disprove that theory it is genuinely understandable since the bearded 510 pound, 6-4 mountain who walks like a man is truly a physical specimen whose prodigious feats of strength are perhaps unparelleled anywhere in the wrestling world.

When you start talking about the Great Antonio it is actually difficult to know where to start throwing accolades.

The 40-year old native of Trieste has done more to create excitement outside the wrestling ring than perhaps any grappler in the history of the sport.

Today Antonio The Great is a sometime promoter when he gets a visa to work the United States but the high point of his career as a man of the mat came in 1959 in New York.

"I appeared in the old Madison Square Garden no less than 13 times, meeting such stars as Argentina Rocca and Bruno Sammartino among others. There were always 20,000 in the house and I can honestly say they loved me."

The Great Antonio recalled:

"Perhaps the most interesting match of all was Antonio's encounter with the equally mammoth Haystacks Calhoun, who scales 400 pounds.

"Haystacks only stands 6 ft, so you can see he had no chance with me. There are few wrestlers in the world today who stand a chance with me if I really put my mind to wrestling. I modestly say I am the most powerful man alive today and just maybe in any other day," the affable gentleman exclaimed.

The greatest single feat of sheer strength by a human being was displayed by The Great Antonio, whose surname is Bacovich in Tokyo in 1961.

The big moment which captured the imagination of the public was The Great One's feat of pulling four people-loaded buses using nothing more than a chain.

The sons of Nippon went bananas when they heard such a thing was possible. The Great Antonio was scheduled to appear at the Olympic Stadium and it wasn't a question of a sellout — simply where they were going to put the overflow.

"There were 100,000 people looking like sardines with slanted eyes

Afraid of Baldness? You don't HAVE to lose your hair.

Everybody is always losing hair. You can see them on your comb and brush everyday. But new hairs are growing in at the same time. If you don't grow new hair as fast as they fall out, YOU ARE GETTING BALD.

Why not give your hair the best chance it can get by eliminating needless causes of falling hair and give nature a better chance to grow a healthy head of hair for you.

Many dermatologists, hair and scalp experts believe that seborrhea, a common scalp disorder, results in hair loss. Seborrhea is an infection of the scalp, caused by a bacteria that can produce severe and permanent damage to hair growing follicles in your scalp. Seborrheas symptoms are dry itchy scalp, dandruff, oily hair, head scales and progressive thinning and hair loss. If you have been warned about uncomfortable itching and dryness of your scalp, ugly embarrassing dandruff, thinning and receeding hair, don't let seborrhea rob you of the hair you still have.

HOW DOES COMATE WORK?

Comate is specifically formulated to combat and control seborrhea and hair loss it causes. Thousands have used this wonderful formula with remarkable results, controlling the itchiness and dandruff, stopping the infection that can limit hair growth, so that new healthy hair can grow as Nature intended. To start Comate offers you in a single treatment the best modern medicine has developed for the preservation of your hair.

UNCONDITIONALLY GUARANTEED

To you we offer this Unconditional Guarantee. Treat your scalp to Comate in your own home following the simple directions. See for yourself in your own mirror how after a few treatments, Comate makes your hair thicker and more radiantly alive. How Comate gives your hair a chance to grow. Most men and women report results after the first treatment, some take longer. But we give you this assurance. If for any reason you're not completely satisfied with the improvement in your own case — AT ANY TIME RETURN THE UNUSED PORTION FOR A PROMPT REFUND. NO QUESTIONS ASKED.

But don't delay. There is no excuse today for any man or woman to neglect seborrhea and pay the penalty of hair loss. Nothing not even Comate can grow hair from dead follicles. So, why not fill out the coupon now, and take the first step toward a good head of hair.

Male pattern baldness is the cause of the great majority of causes of baldness and excessive hair loss. In such cases neither the Comate treatment nor any other treatment is effective.

and — I know you won't believe me — but there were four million people in a radious of 25 blocks tryinq to get into the stadium. It was incredible but it really happened."

There has never been an attraction in Tokyo like the Great Antonio and he doesn't mind letting you know it.

"They covered the event by television and by estimated count there were 80 million watching on the TV."

The Japanese-language newspaper with a daily circulation of 13 million carried a full page picture of The Great Antonio in the exact moment he started the four buses in motion. Not once mind you but six different times in a period of three weeks.

ONCE BEAT 200 MEN IN TELEVISION TUG O' WAR

Six times in the same paper may be over doing it in journalistic good taste but not when you consider the quartet of vehicles totaled 14 tons. Nobody can argue those statistics and who would want to try.

Queried on how he handles such an imposing ahievement, The Great Antonio explained thusly:

"You see I am very strong in the legs and I do start very slowly but once I gain momentum with my feet solidly planted on the ground things begin to happen. I am very strong in the legs and shoulders and I guess you could say that is my secret."

Tbe Great Antonio explained he inadvertently developed the technique to pull such a tremendous load when he was working in a logging camp outside Trieste as a 12-year-old.

"After the older men would cut the trees I would pull them out of the valley by wrapping cables around my shoulders and hoisting. Help? No just me."

The Great Antonio Bacovich didn't start out to be a wrestler and lifter of unhelievable weights.

"Actually I started boxing in Northern Italy when I was 18 years old. I won most of my 40 fights as an amateur and all of the few I had professionally.

"But let's face it, I was fast for wrestling but just too slow for boxing. I also worked on the waterfront in Trieste and that kind of work just naturally develops your muscles."

The Great Antonio has handled the four bus pulling feat all over the world with major stops in Tokyo, New York, Chicago and Montreal among other metropolis.

The Yugoslavian giant also displayed his amazing strength twice on The Johnny Carson Show. Perhaps the most significant feat there was pulling 200 men by the hair of his head.

"What we did was to braid my hair in a knot and tie a rope to it. The men tried to pull me over — you know like in a tug of war but they couldn't do it. I was the only one who pulled them over," Antonio recalled.

Among his other outstanding feats was holding five horses on each arm and let them try to pull away. None of the 10 animals could break free from The Great Antonio.

Antonio married the former Jane Larue, 32, of Montreal 10 years ago and they still make their home in the French-Canadian city. The great man came to Canada in 1946 after surviving World War II as a youngster in Trieste.

In recent years Antonio has been promoting in Quebec, Ontario, Calgary and Winnipeg and has had several offers to make a movie but they have been tentative.

"I am not an actor and have no desire to become one but I do know I am the strongest man alive anywhere in the world," The Great Antonio smiled.

We're sure nobody in his rigbt mind is willing to dispute that claim. ●

When the big fellow wants to prove his claim as the world's strongest man he simply flexes his muscles and pulls four buses loaded with people down the highway. Don't try this if you are nursing a hernia.

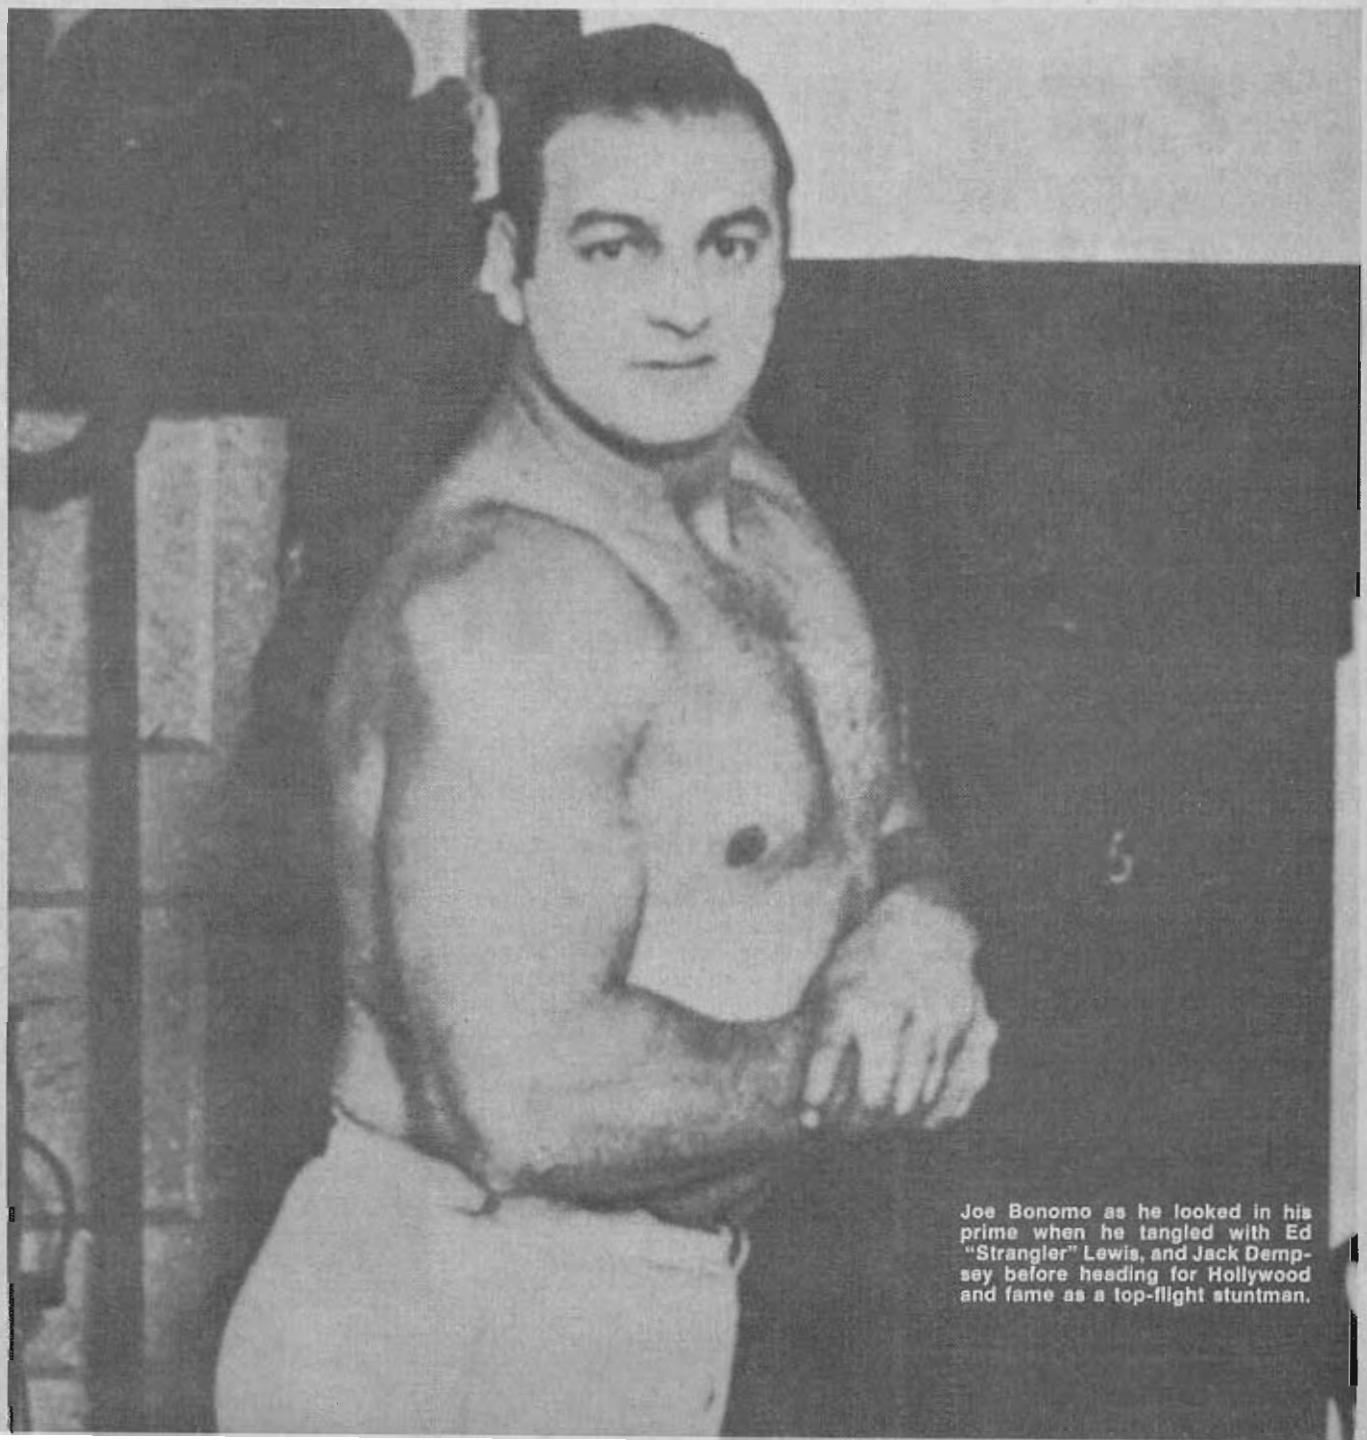
Antonio The Great became a national celebrity when he appeared twice on The Johnny Carson Show several years ago along with his wife, the former Jane Larue.

WHERE IS HE TODAY?

JOE BONOMO

PARLAYED MAT SKILLS INTO CAREER AS TOP HOLLYWOOD STUNTMAN

by JESS HERNANDEZ



Joe Bonomo as he looked in his prime when he tangled with Ed "Strangler" Lewis, and Jack Dempsey before heading for Hollywood and fame as a top-flight stuntman.

THEY called him The Strongman, Hercules and Apollo, but former wrestler Joe Bonomo lived a true-to-life legend as Hollywood's most famous and legendary stuntman actor. On the screen during the 20s, Bonomo died a thousand deaths as a daredevil stuntman. He appeared in more than a thousand movies during his 40-year career, battling wild lions, tigers, pythons and alligators.

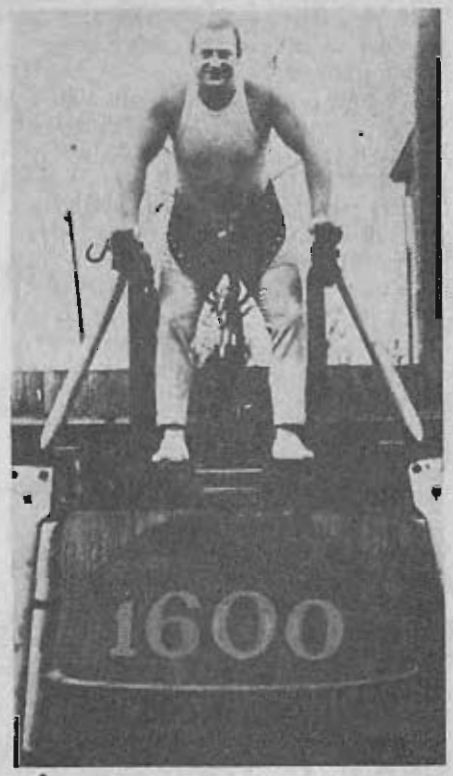
Joe suffered over 37 major injuries and broke many bones and endured pain in his storied Hollywood career. Off the screen Joe Bonomo was one of the world's most famous athletes and Modern Apollos. In 1921, Joe tangled with Jack Dempsey the heavyweight champion in a wrestling match. He wandered into Dempsey's training camp and challenged the champ to a mat exhibition while Jack was preparing himself for his bout with Georges Carpentier in New Jersey.

Born in New York City, Joe Bonomo often frequented the George Bothner Gym on 42nd St. the mecca and training place of famous matmen like Strangler Lewis, Jimmy Londos, Joe Stecher and Dick Shikat. That's where Bonomo became acquainted with former world titleholder Youssef The Turk.

"Youssef was a champion wrestler and a man of enormous strength," recalled Joe. "He made big money in the wrestling profession, but for reasons known only to him, he trusted neither people nor banks. He always insisted on being paid off in gold pieces which he carried about with him in a money belt strapped around his middle. He drowned with his money during a freak accident," Joe remarked.

It was at Bothner's Gym in 1924 that Bonomo tangled with the great Strangler Lewis in an exhibition match.

"Everybody in the gym knew that I was wrestling with the champion but me," related Joe. "Strangler was a magnificent grappler with his deadly and painful hold — the headlock. He seemed impressed with me and congratulated me. He said I had a lot of promise." Unfortunately, Joe was born to be a topnotch stuntman and soon headed for Hollywood where he appeared in movies with greats like Lon Chaney, William Desmond, Richard Arlen, Gary Cooper, Buck Jones, Charles Laughton and Hoot Gibson.



Here Bonomo always trained with warren Lincoln Travis' own heavy equipment including the 1600 pound harness lift in return for storing it in the winter.

Joe Bonomo is second from the right as he posed outside the gates of Universal Studio with Jack Kearns, Jack Dempsey's manager, Joe Benjamin, Art Acord, Norman Kerry, Louise Lorraine, Teddy Hayes and wrestler Bull Montana on his left.

In keeping trim throughout his life, Joe trained in his backyard in Coney Island and used weights of all sizes.

It was Bonomo's good fortune to meet the immortal Great Sandow during the early 1920s.

"I owe much to this man Sandow," said Joe. "He was one of the strongest men who ever lived...Perhaps a brief period in time prevented me from testing his real skills and strength. When I aspired to be the world's strongest man I really had my work cut out for me. Regrettably, Sandow died early at the age of 58 from a brain hemorrhage brought on when he picked up his automobile and lifted it out of a ditch!"

Before embarking in an athletic career that was climaxed with his prolific devil-may-care stuntman heroics in Hollywood, Joe Bonomo was an excellent all-around one-man team excelling in football, baseball, track, gymnastics, wrestling and boxing. A solid 5'11", 220-pounder, Joe was built for the mighty sport of grunt and groan. And he had the greatest teacher in the person of George Bothner, the undefeated world lightweight mat king. Among the stellar mat greats Joe engaged while learning the scientific aspects of wrestling were Tom Jenkins, the former world titleholder. Another grappler Joe came to grips with was Nat Pendleton, the Olympic Games champion, who later became a famous screen comedian and topnotch actor.

During the 1920s, Joe Bonomo won the title of the "World's Most Perfect Man", a banner that became synonymous with his meteoric Hollywood career. A career that saw him perform hell-raising feats like tangling with man-eating sharks, swinging like an apeman from tree to tree and cheating death many times with his cliff-hanging stuntman exploits.

Professionally, Bonomo was a jack of all trades. A good boxer, wrestler, weight lifter, horseman, fencer, gridiron star, actor. Perhaps his title of "World's Most Perfect Man" which eventually opened the doors to Hollywood fame, was his most satisfying life achievement. Joe is also proud of his 50-year friendship with Jack Dempsey and the fact that he came to grips with all-time immortal matmen Strangler Lewis, Joe Stecher, Jimmy Londos and Gus Sonnenberg. Joe Bonomo was wrestling's greatest real-life sports hero. A great stuntman and daredevil performer for all seasons! ●

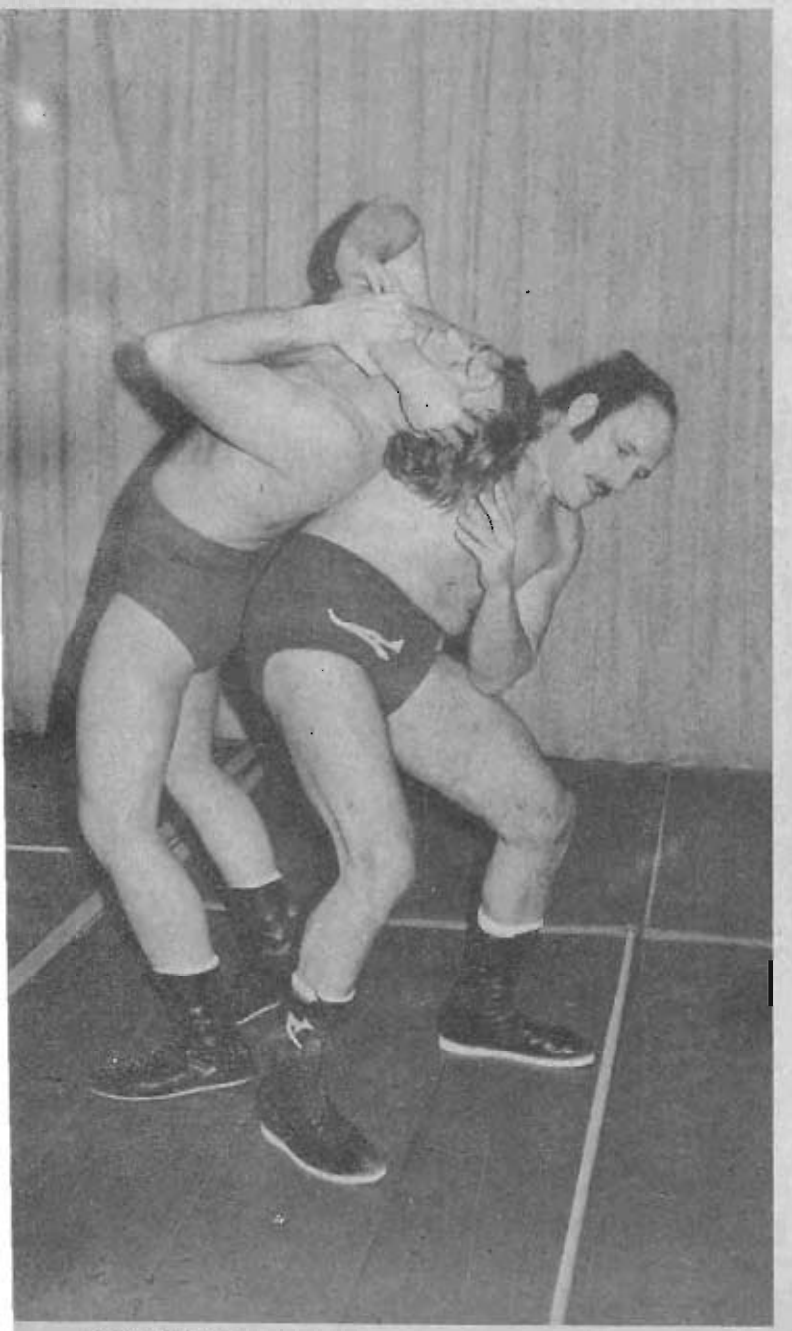
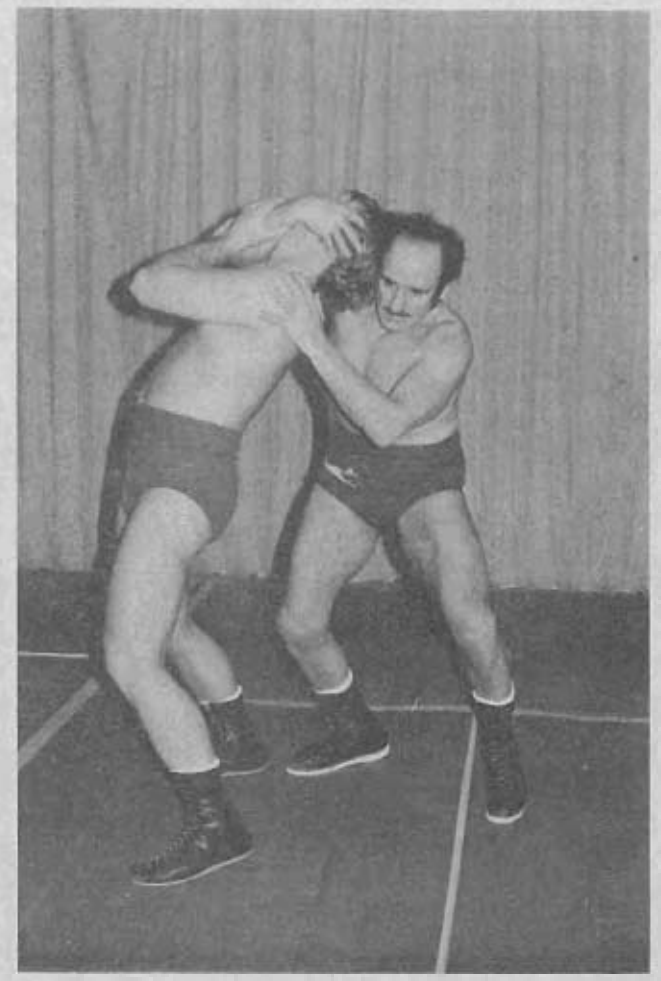
know your holds

Our presentation of Know Your Holds is offered to our readers on the assumption it will not only make them more knowledgeable wrestling fans but also heighten their enjoyment while attending the matches. These defined illustrations also should enable amateur wrestlers to improve their technique and develop styles similar to those employed in the professional ranks.

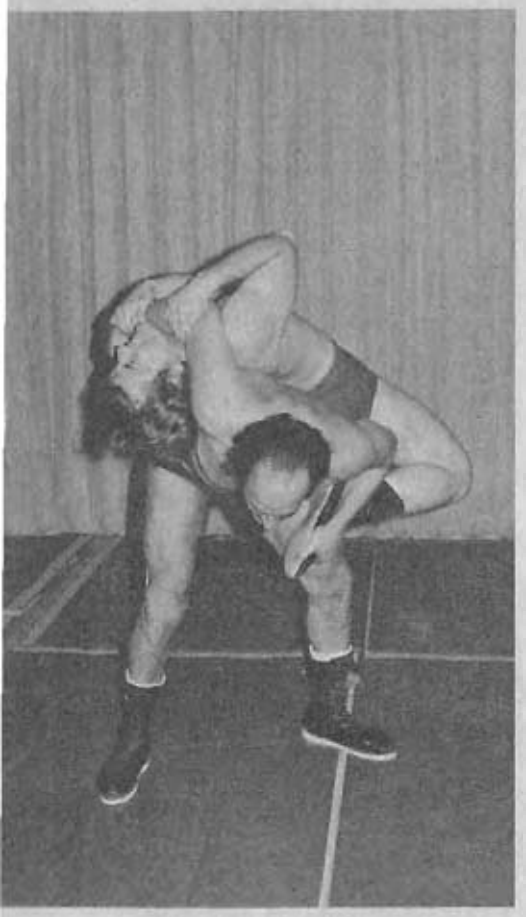
The skill required in properly applying The Full Nelson is one of the many things students learn at the Al Costello-George Cannon School of Professional Wrestling and Martial Arts. For information write P.O. Box 32162 Detroit, Michigan, 48232.





Al Costello considers the Chinese Rock one of his favorite holds and he used it to great advantage to force opponents into submission during the heyday of the Kangaroos. Costello slips behind his opponent and limits his effectiveness by covering the eyes with his hand.

Costello almost slips into a headlock as he bends his rival off balance and prepares to lift him off the mat.



Al has the opponent virtually helpless as he reaches down to grab his right leg , thereby gaining levsrage and beginning a rocking motion which is painful to the adversary.

The opponent tries desperately to break the hold which has him virtually immobile and the more he tries to shake free the more Costello applies the pressure.

MOONDOG MAYNE

BECOMING NICE GUY LEAVES CALIFORNIA FANS AGHAST

THE biggest news this year leads us to the case of Wild Moondog Mayne, the 281-pounder from Crab Tree, Arkansas who always wrestled without any regard whatsoever of the rules. Whenever Mayne entered the ring, he totally dismantled his opponent as well as the rules and there wasn't a fan in the audience who approved either of Mayne or his antics.

A change has recently taken place. Mayne has turned good — or is trying to. Yes, one of the most UNpopular wrestlers in the business now is trying to follow the rules and the fans, believe it or not, actually love it!

Whereas before Mayne entered the ring as if he were an animal, he now enters it prepared for any eventuality. This doesn't mean he'll follow the rules regardless; no sir. It means he'll follow the rules so long as his opponent does. Let's let the Moondog talk about his new style.

"I realize that the fans are in shock over my overnight change, and it really was a change that I didn't give much thought to. I just did it. I was tired of the wrestlers who were getting away with murder. Like the Masked Invaders. Like manager Gearhardt Kaiser, and like Angelo Mosca. I stood back and kept a quiet, open eye on these wrestlers when I wasn't in the ring and I learned a helluva lot," Mayne stated.

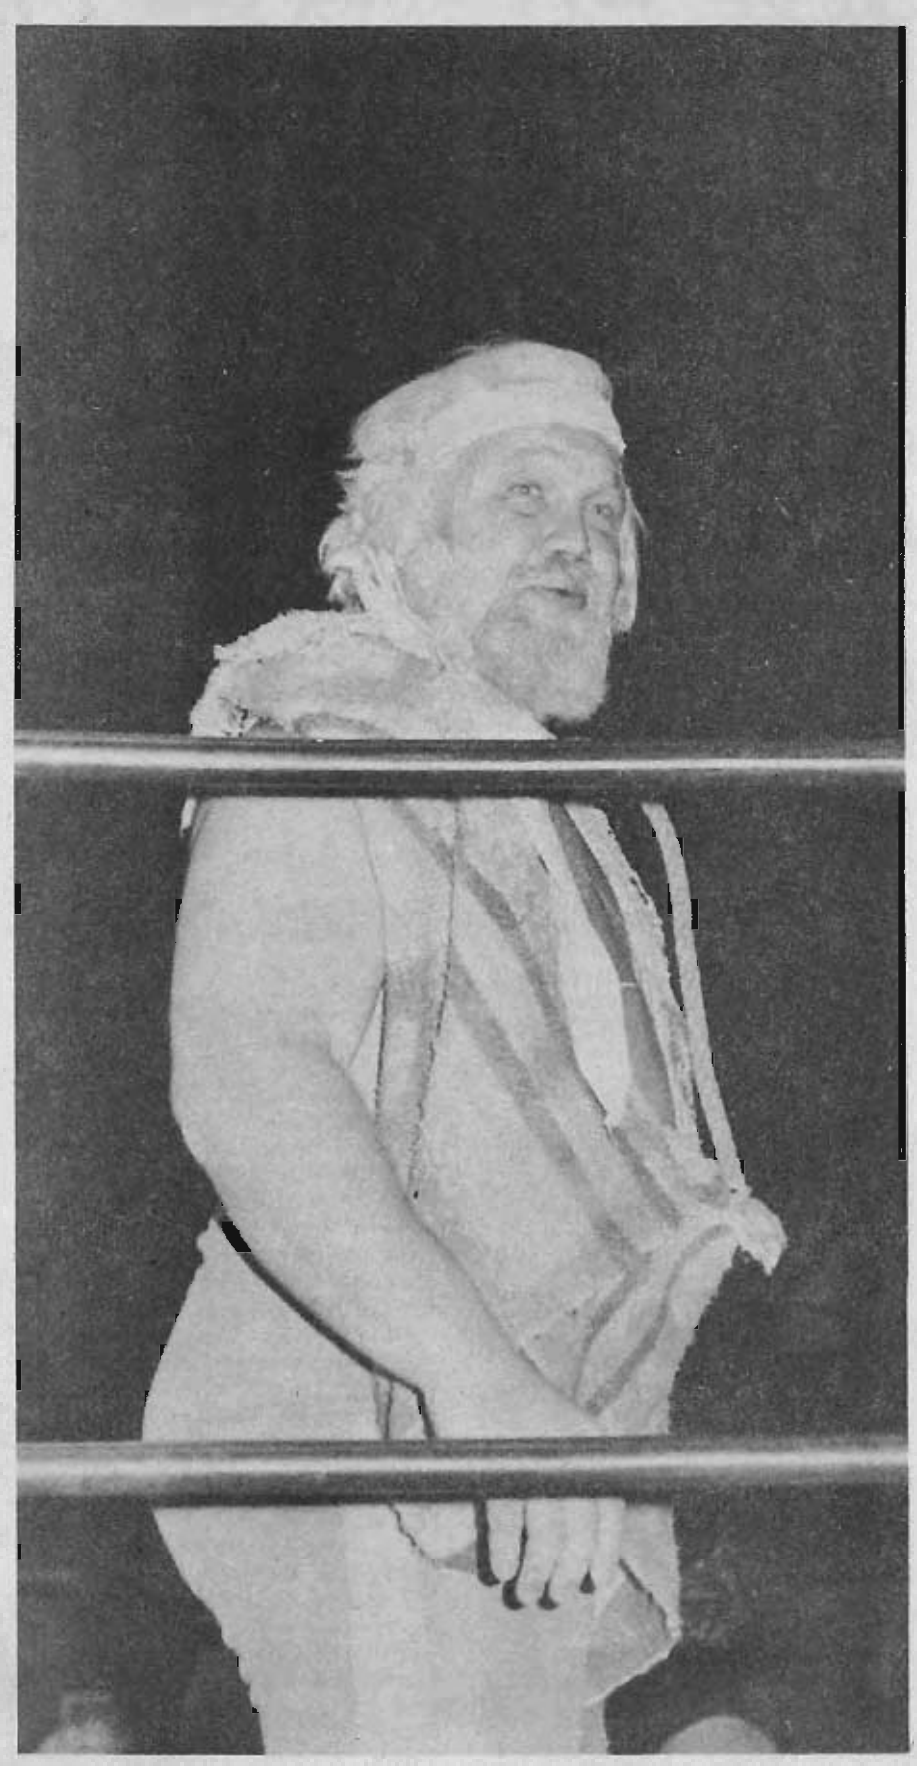
"If you notice, I really haven't changed my style that much. Sure, when I'm up against a guy who is trying to go by the rules and have a good, clean match, that's fine — I'll try and do likewise. However, I have found myself in the ring against a lot of roughnecks who are trying to hospitalize me and I'm not going to tolerate that. No way. I actually find myself wrestling wrestlers who used to team up with me."

Actually, the whole thing started recently when Mayne and Italy's own Angelo Mosca were successful tag partners. They worked well as a team, however, it seemed that both wrestlers wanted to be the team's captain. They both were successful individually and equally rated, so they naturally both thought they should be the captain. It didn't work out quite that easily.

Often, Mayne would hold his opponent while Mosca attempted to clobber him and he would duck, and it would be Mayne who would get clobbered. After this happens a few times one can get very discouraged.

In San Francisco's Cow Palace, Mosca was teaming with The Brute, a rugged 317 pounder who stands 6'3" tall, and nothing went right for the two. The Brute would accidentally kick Mosca, and Mosca would accidentally hit The Brute. After they lost the tag match, the two argued in the ring and almost engaged in a fight before finally giving up and leaving for their dressing rooms.

"I stood back and watched the whole thing and I was in favor of The Brute," Mayne announced. "I thought that Mosca was in the wrong and he often did the same things to me. I was going to be prepared for him when we teamed up next."



Moondog Mayne has completely shocked west coast mat fans with his turnabout of becoming a nice guy and then teaming up with former arch rival, Pat Patterson, for tag team events.

ACTION on the WEST COAST

By Allan Bolte

Angelo Mosca raises his powerful arms after scoring another victory in California.

The next thing took place on BIG TIME WRESTLING, seen weekly by thousands and thousands of viewers over color television. Mayne and Mosca had wrestled in a tag team match and although they won their match, they ran into several problems during it — problems similar to those that Mosca and The Brute ran into.

After their match they got into an argument and Mosca grabbed the timekeeper's bell and hit Mayne over the head with it. The fans were shocked and they sided with Mayne.

Mayne then challenged Mosca to a single match in the Cow Palace and the big Italian accepted. The match was billed as a grudge match and it was wild. It was a case of "former tag partners now arch rivals" and they fought for 18 gory minutes.

They went at it like wild animals and the fans were for Mayne 100 percent. Mosca was slammed into the corner iron post and the referee decided that he was cut too badly to continue, so the match went to Mayne.

"Everyone saw how we wrestled that night," the Moondog insisted. "Mosca broke the rules before I did. He jumped me when my back was turned before the bell rang and he tried to kill me. Well, I won't take anything from him and I sure enough defeated him. Believe me, I was happy about that."

Evidentally Mayne and Mosca never again will team up. The situation with Moondog changing his ways in the ring goes much further than just this. He actually has joined forces with Canada's Pat Patterson and they challenged the World's Tag Team Champions, The Masked Invaders, to a title match.

With Patterson and Mayne, it's a case of "former arch rivals now tag partners!" The two work well together and they had a title shot in San Francisco's Cow Palace and it was a wild match.

"I teamed with Pat Patterson for several reasons," Moondog continued. "The main reason was because I realized that he and Peter Maivia lost the World's Tag Team Championship to The Masked Invaders in Miami, Florida and that they never regained their crowns! I've wrestled Patterson many times and we have had wild matches. He's a great wrestler, and he gave me some of my toughest matches, I'm not afraid to admit that.

"On a recent Cow Palace card, there was a lumberjack match between Maivia and Patterson against The Masked Invaders. There were 10 wrestlers stationed around the ring to keep the four wrestlers in the tag match in the ring and I was one of the lumberjacks. I saw exactly what happened that night so I decided to do some changing — physically. Mosca interfered several times and so did Gearhardt Kaiser. They threw Patterson out of the ring and Mosca and a few others would work him over. So, when Patterson threw The Invader out of the ring by me, I worked The Invader over!

"I was very tired of the way some of these wrestlers were getting

away with murder just about. Wrestling is a sport, a professional sport and even I was breaking the rules too much so I wanted to change, and one of the things I want to do right now is get my hands on that Gearhardt Kaiser! He interferes in every match there is and that's not right. If I catch him I'll beat the holy hell out of him and that'll be the only way to stop him!"

Who knows; by the time this magazine is on the newsstands, Mayne may have gone back to his old ways of wrestling and he again may be one of the most hated villains in the ring, but we doubt it.

Handsome, young Don Muraco from Hawaii returned to the area recently and he seems to be wrestling better than ever before! He so far is undefeated and he has met some of the biggest top notchers in the game today. Muraco is young and very goodlooking and the fans love him because he is so kind and polite, and a great wrestler. He always follows the rules and there's nothing but action when he's in the ring.

Muraco has many holds he enjoys using and among them are the airplane spin, the flying tackle, and the spinning toe hold. These moves have enabled him to attain lots of success lately and his large host of admirers are hoping he'll win the United States Heavyweight Championship. It's good to have Muraco back on the West Coast and the majority of spectators are hoping he'll decide to stay here for many months. As far as Muraco is concerned, he will.

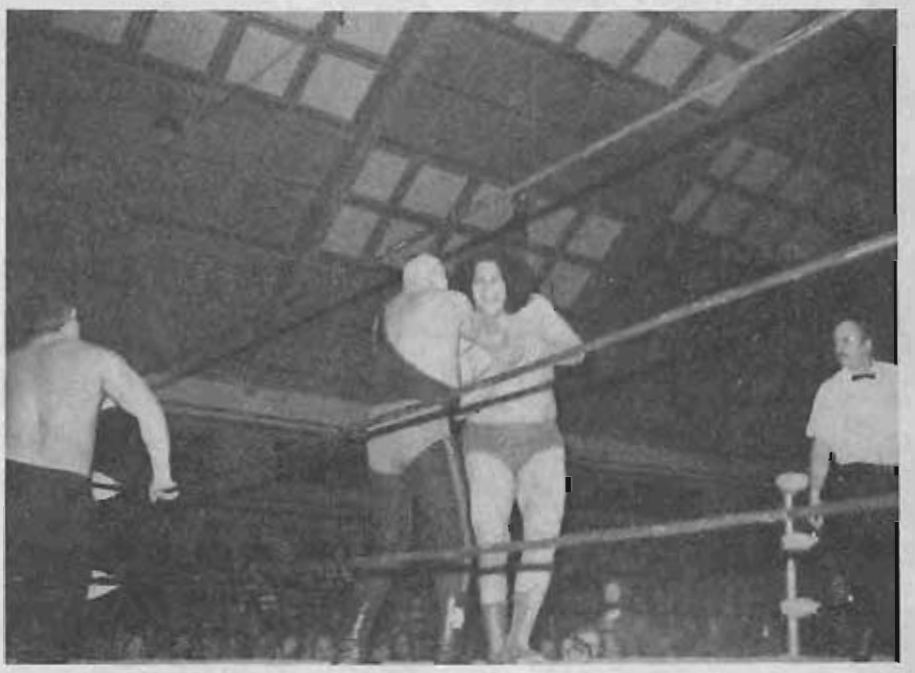
"I really love the West Coast for several reasons," he stated. "The climate is great, the people are kind and warm, the competition is very rough, the money is good and the promoters are excellent. I've been here before and love it. I'm meeting some of the biggest wrestlers in the business and winning my matches and this is mainly what counts."

A wrestler made his West Coast debut with a bang and he, too, is undefeated. Rock "Mr. Wonderful" Riddle never wrestles in a preliminary: he insists on being introduced first, and on being introduced as "Mr. Wonderful" and he announced over television that he wishes people would stop asking him for his autograph! He's quite a wrestler. However, there's no doubt about it, he is a rugged competitor and he breaks all the rules.

Riddle is young, blond, tough and capable. He wrestles as if there were no such thing as rules and he, too, has defeated some of the big names in the business. When he enters the ring, he walks slowly and proudly. His bright blond hair is neatly combed and shiny (he often brushes his hair during a match if it gets the least bit messed up), and he wears dark sunglasses and a beautiful long purple velvet robe, something similar to that of the late, great Gorgeous George. However, there's no doubt that Riddle is a sadistic wrestler and he is heading for the top ten.

He stated that he wants to win the United States Heavyweight Wrestling Championship and show everyone what a "true champion is exactly like."

Japan's Kinji Shibuya and Mr. Saito, particularly the latter, haven't been seen in the area lately and the fans are wondering where they are wrestling. Neither Shibuya nor Saito follow the rules and they often demonstrate cases of karate, judo and jui-jitsu in the ring, regardless of the fact this is definitely illegal. As far as these two wily Japanese wrestlers are concerned, whatever the referee doesn't see, he doesn't know. They're two sly, roughneck wrestlers and they'll undoubtedly return to the West Coast soon.



Andre The Giant gives that old meanie, Kurt Von Brauner, a hard time in a tag match.

Guy Lambert is a newcomer who hasn't yet been seen anywhere on the West Coast. However he soon may. He is young and capable and should be a very popular newcomer when he makes his debut. He has wrestled in high school and college and was very successful with the San Francisco State wrestling team. He should hit it big in popularity and success — keep an eye out for him.

Yes, the action has been fast and furious lately throughout the West Coast and from the looks of things, particularly with wrestlers such as Moondog Mayne, Don Muraco, The Masked Invaders, Angelo Mosca, Rock "Mr. Wonderful" Riddle and others, it may get even wilder!

That wraps up another West Coast column, we'll look for you in the next big issue of WRESTLING REVUE. ●

Tony Garea (left) and Dean Ho are a confident pair as they tell television wrestling commentator Vince McMahon, Jr. how they will handle Johnny and Jimmy Valiant. Unfortunately, they lost the belts to the blond bombers and are now driving to a return championship match.

TWO IS A CROWD FOR ALL RIVALS FACING RUGGED TONY GAREA, DEAN HO

By Les Schmidt

Dean Ho not only is an all-around outstanding wrestler but he is an exponent of the martial arts which he proved with authority against Mr. Fuji, one of Japan's outstanding matmen.

TOP STARS HAVE FAITH IN TEAMWORK

TONY Garea and Dean Ho may have lost their W.W.W.F. Tag Team Championship but they have never lost faith in each other nor their ability to get it back.

One of the most exciting and powerful duos in the business, Garea and Ho explain their phenomenal success simply as "Teamwork."

One prime ingredient in a winning combination among tag team wrestlers is that they like each other not to mention holding each other in high esteem.

Several big box office tag units are a success together in the ring but go their separate ways in private life. There is no need to mention their names — they know who they are and certainly the promoters are aware of the situation.

As a word to the wise — never say a disparaging word about Tony Garea or Dean Ho in the presence of the other.

The personable Hawaiian explained it rather well for both of them.

"Hey, man, I think Tony is the greatest. We get along just fine and the admiration we have for each other is not just based on our abilities. When I first arrived on the W.W.W.F. circuit I saw Tony and Haystacks Calhoun lose their tag belts to Tanaka and Fuji.

Tony told me he was determined to get that belt back. I admired his guts and will to win. I like that in a wrestler."

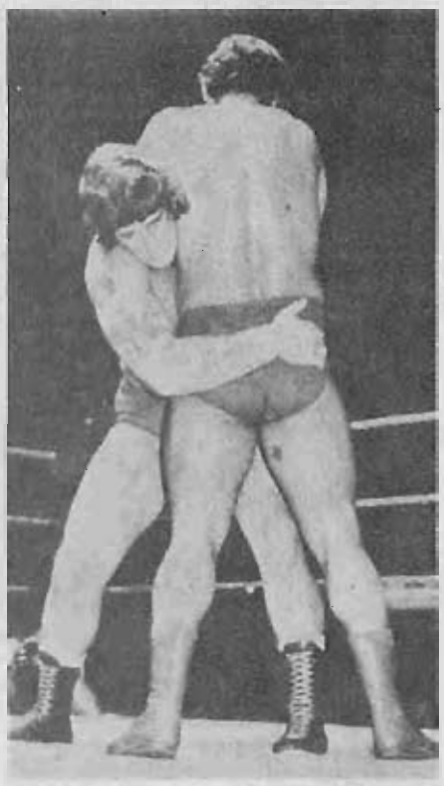
Garea talks about the depression that sat in when he and Calhoun were dethroned.

"I felt rotten when we lost our belts, especially the way it happened. Haystacks had a prior contract to fulfill and had to move on to other areas. I searched everywhere for the right partner. When I saw Dean beat both Tanaka and Fuji in singles matches, I knew my search had ended. Dean was happy to team up with me and I was pleased myself. History proved what a successful combination we have become."

The blending of Garea and Ho wasn't as easy as it may sound. It took plenty of hard work and they became acquainted with each others' styles. However, they won every tag match along the way including a non-title event against Tanaka and Fuji.

This victory was the springboard for Tony and Dean to get a crack at the Japanese super stars with their crown on the line.

The title bout was billed as a special one fall affair on television. Neither team could gain a clear-cut



Tony Garea is maneuvering for an opening against his opponent and shortly after this picture was taken he found it for the winning pin.

advantage as they pulled out all stops to secure the triumph.

Every fan was waiting for the Japanese duo to bring out the salt. It finally happened. Tanaka had Dean Ho hurt in a corner from an armwhip and, producing the salt, let it fly at Dean. But Dean was ready and ducked! The salt flew over Dean's head, harmlessly. By this time Tony Garea came in and dropkicked Tanaka from behind. The force of this maneuver caused Tanaka to hit his head on the turnbuckle and knocked him flat. All it took was for Dean to hold Tanaka's legs for leverage, and the victory pin and the title was all theirs.

Dean and Tony had their hands full defending their belts against top challengers for several months. The list was impressive: Don Leo Jonathan and Stan Stasiak; Larry Hennig and Otto Von Heller; Larry Hennig and Iron Mike McCord, Stan Stasiak and Blackjack Lanza; Blackjack Lanza and Larry Hennig; Don Leo Jonathan and Mr. Fuji; even former champions Tanaka and Fuji fell.

Are there any more tag teams in the future horizon to emerge as top challengers? There always is. There are two teams just itching for the chance. Team number one is Killer Kowalski and Don Leo Jonathan. Their manager, The Grand Wizard, smiles at the thought of his two great matmen winning the title. "It cannot fail! Here I have two of the greatest wrestlers ever. There are over fifty years experience between them! They have beaten the very best in wrestling. Along with my great guidance the belts will once again come into my possession, where they rightfully belong!"

Team number two is Handsome Jim and John Valiant. Their new manager is none other than Crazy Lou Albano! In early April in secret negotiations with Bobby Heenan, Lou Albano purchased the contracts of Jim and John Valiant. Says Lou Albano, "Once again I have a top tag team who have it all. Where can you find another team more handsome? Where can you find another team with their charisma? Where can you find another team who is tougher or rougher? Nowhere! The very first time my champions wrestle those two pretenders to the title, Ho and Garea, the belts will be ours. I have my battle plan all worked out. By the time you read this, Handsome Jim Valiant and Luscious John Valiant will be the new W.W.W.F. World Tag Team Champions! Remember you read it here first."

Dean Ho and Tony Garea were unruffled by all the claims of just who would dethrone them. They had heard wild claims before. Said Dean, "I'll admit both these teams will be rough. I never expect an easy match and very rarely do I get one. I know that someday the belts will be lost. No team can hold the belts forever. I don't know who will beat us for them. Maybe these two teams, either one of them will do it. Perhaps some other team will. Who knows? All I'm saying is the belts won't be lost without Tony and I giving a full 100 percent. If and when the belts are lost, I hope they are lost fairly and not through devious trickery. I expect the worst when Wizard and Albano are present."

Tony Garea stated, "There is always top competition for us. These two teams are just two of the best right now. I agree with Dean about giving our all in defense of our title. We worked hard to get the belts. We are proud to be champions. Those two teams will have to fight their hearts out to win them, or any other team for that matter. We will get just as rough as the next team, if we have to."

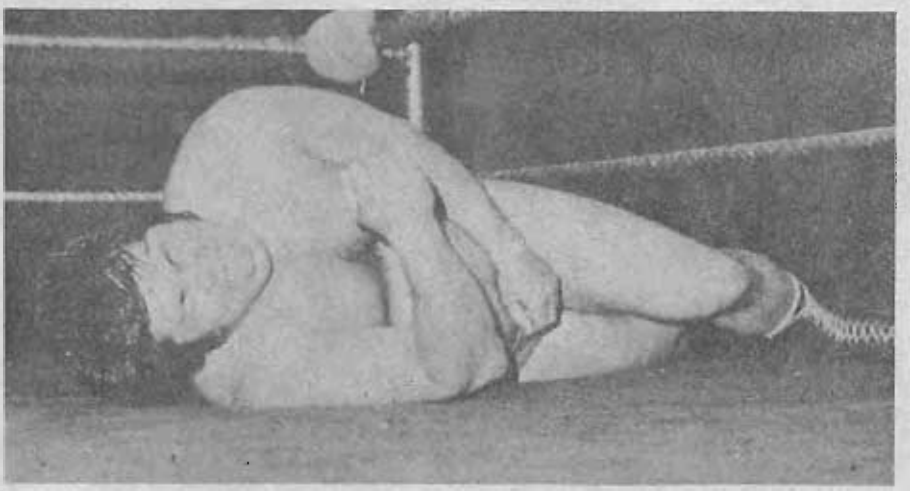
Dean puts on the pressure with a wrist lock against Pancho Valdez and went on to score an easy victory.

Dean Ho, tabbed "The Happy Hawaiian," is a true master of the martial arts. He uses Kung Fu and Karate expertly. He has even bested both Prof. Toru Tanaka and Mr. Fuji, who are considered masters of the martial arts. Dean has been wrestling professionally for nine years. He has held several titles both in single and tag team competition. Dean, born in Hawaii, is not a true blood Hawaiian. He is half Chinese and Japanese. His father is Japanese and his mother Chinese. Higuchi

Ho and Garea a happy pair after winning the first fall against the Valiants in their championship match but they were ultimately upset for the title by Johnny and Jimmy.

of the W.W.W.F. came to a sudden end. The Valiant Brothers, Handsome Jim and Luscious John defeated Dean and Tony in a best-of-three-fall match in Hamburg, Pennsylvania. Lou Albano, the manager of The Valiants, also had a helping hand in this victory, celebrated only by Albano and his blond warriors.

Dean had this to say on the title clash, "I don't mind losing our title fairly but Albano stuck his nose into things. I'll say this right now, we will win back the title, Tony and I will continue to battle those two Valiants until the title is back where it belongs. We won't let our fans down."



Dean Ho writhes in pain after being double teamed by the Valiants and then pinned by Johnny with a flying elbow smash. The Hawaiian-born star was primed for the fall after Jimmy applied the back-breaker.

is his real name but Dean now has used Ho these past few years so his mother could get equal time. It was her maiden name before marriage.

Tony Garea hails from Auckland, New Zealand. He has been wrestling professionally for five years, getting his first start in New Zealand. In 1973 Tony won the W.W.W.F. Rookie of the Year Award. Also in 1973, be twice became co-holder of the W.W.W.F. World Tag Team Championship. First with 600 pounder Haystacks Calhoun, then of course with Dean Ho. Tony always wanted to win his matches by the rules but found this near impossible against roughouse tactics of many wrestlers, like: Fred Blassie, Lonnie Mayne, King Curtis, Buddy Wolfe, Prof. Tanaka, Mr. Fuji, Don Leo Jonathan and many others. So he had to make an important decision on getting much rougher, which he did.

Now the bubble has burst for both Dean and Tony. In late May, their reign as tag team champions

Tony expresses his feelings on this matter, "It was a tough match but we should have won. The Valiants pulled some nasty tricks and Albano did his damage. Give us a fair chance against them, without Albano there to interfere, and the belts will once again be ours. Dean and I won't stop until we rid this area of Jim and John Valiant."

Dean Ho and Tony Garea proved to he worthy and most popular champions. Their popularity already has been compared to former champions Mark Lewin and Don Curtis of a decade ago. Whatever the future holds for both Dean and Tony, their huge popularity will never diminish. The fans still love them. They have the fullest confidence they will regain the lost title. The fans love their wrestling style and sportsmanship. Most important they have respect and admiration for each other. This is what matters in the final tabulation. ●

Miller is basically a humanitarian, be it man or beast. And that's why he pursued a veterinary career at Ohio State.

However, Big Bill believes all professional wrestlers realize the occupational hazards of their chosen careers. Injuries are just part of the game so he just naturally wants to dispose of his adversaries as quickly and painfully as possible.

Miller comes by the handle "Big Bill" honestly, standing six-feet, six-inches and weighing a solid 320 pounds. During the last 20 years the good doctor has met the best in the business, appearing all over the world.

The big fellow hasn't strayed from his veterinary vocation but works it in with his wrestling schedule and will devote all his energies in that direction when he retires from the mat.

300 POUNDER STANDS 6', 6" EARNS NAME

"I was brought up on a farm. I've been around animals all my life and that's basically why I went into veterinary medicine. A friend of mine in college talked me into trying to get in and luckily I made it."

While in school, Miller excelled in sports. "Big" Bill, as he was called, quickly became the best athlete in his school and also one of the top athletes in the state. "All during my college days at Ohio State University, I wrestled," Dr. Miller recalled. "In fact I was BIG TEN Champion in my last two years down there. I was up against such guys as Verne Gagne and Leo Nomellini who later played for the San Francisco 49'ers and was a standout football player. I still had one year of Veterinarian College to finish when my college wrestling was over, and naturally that being such an expensive education I decided that I better start working. Looking around I ran into a promoter in Columbus, Ohio and he gave me such a good offer to turn professional that I couldn't refuse. As it turned out, I ended up making double what he had originally of-

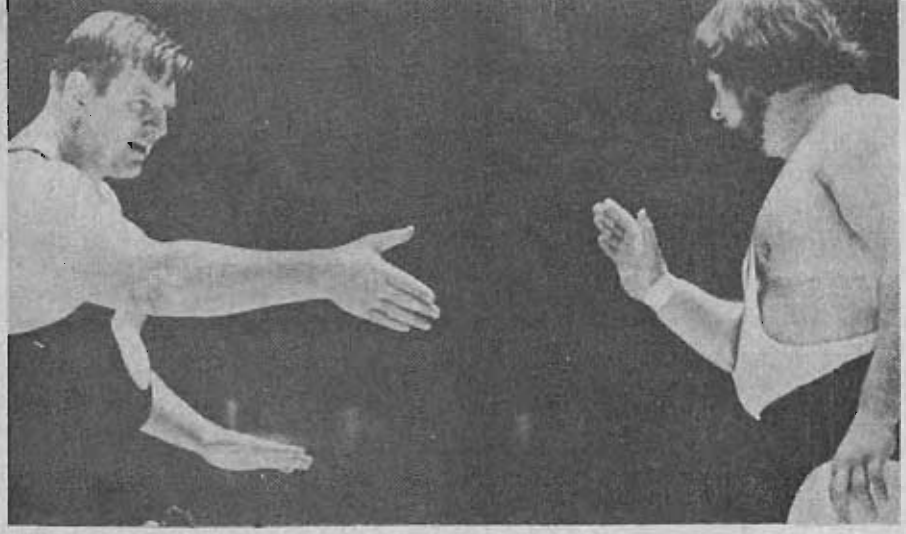
fered me to sign for. I could hardly stop wrestling making that kind of money so I decided to continue wrestling and pursue my Veterinarian career on a full tie basis some time in the future."

Many wrestlers have regretted this decision by Dr. Bill Miller but the soft spoken Doctor has been very happy that he chose to pursue a wrestling career. "A lot of people have asked me if I was really a Veterinarian doctor, why be a wrestler?" Dr. Bill commented. "Well one of the main reasons aside from the money which I have made is that I've enjoyed the traveling and my wife and children have also enjoyed it. There's no better way to see the world than being a wrestler. I have traveled the United States from top to bottom and from East to West besides visiting and wrestling in Canada, Australia, New Zealand, Hong Kong and Japan. In all of these countries I was able to see many different forms of animal life and being a Veterinarian I have found this to be quite interesting.

IN VETERINARY SCHOOL AT OSU, BIG TEN STAR

In Australia, seeing the Duckbilled Platypus, the Kangaroo, the Koala Bear, was quite an experience. An experience which I probably would not have enjoyed had I not gone into wrestling."

During his illustrious career, Big Bill Miller has held scores of regional titles all across the country, besides the World's Tag Team title which he held with his brother Dan. Together with Dan the Miller Brothers formed a fearsome tag team second to none. "One of these days I would like to try to win the tag team title one more time with



Dr. Miller offers to shake hands before starting a match with The Mighty Igor but the ponderous Pole apparently doesn't trust his rival at close range.

SPLITS TIME WRESTLING AND DOCTORIN'

my brother Dan," Dr. Miller stated. "Dan and I, combining our weight and our scientific skill, could certainly whip whoever the tag team champions may be. We have teamed together recently in St. Louis and we have an undefeated string going for us. I know that if we could get a chance to team in other areas, that we will do very well."

During his career, being well known had its drawbacks for the big Doctor since many champions flatly refused to face him. For this reason, Miller donned a mask wrestling as Mr. X in some areas and Mr. M. in others. Under both disguises, Miller racked up victories over all of the top men at the time. In fact as Mr. M., Miller defeated Verne Gagne one of his old rivals from his college days. "I put on a mask so that I could get some top matches." Miller stated, "Many men, due to my reputation, were afraid to face me, so by putting on a mask I was hoping to get back at them. The mask also enabled me to make more money. Everyone wanted to see me get unmasked and for this reason I was pitted against their best in main event matches. I piled up quite a string of victories as Mr. M."

The big Doctor, in his career, has met and defeated many of the top stars of the profession but today "Big" Bill has been cutting back on his appearances as he has been concentrating more on his Veterinarian work and to his job with the state of Ohio. However, Bill Miller is still as rough as ever and still one of the most feared men in the ring. "I've relegated my wrestling to mostly weekends," Miller stated. "Now I wrestle mostly on Friday, Saturdays and Sundays and I work as a Vet during the week. At the present time I am working with the state of Ohio and I'm in charge of their training program for meat and poultry inspection for the whole state. I have been traveling throughout Ohio in this regard. I work mostly with meat animals and also the poultry but I still do Vet work on the side. Now I am able to spend more time at home with my family than I was able to when I was wrestling full time. However, I am not thinking of retiring from the ring. I will wrestle anyone. I would love to get a hold of that bushy haired Firpo. I think that he's part animal anyway. I'll go after the Sheik, Steele, Curtis, name them all. I'm not afraid of anyone and I think that they all respect me. Ask any wrestler who he considers the top wrestlers in the world and I know my name will be in the top ten. Even though I have cut down on my appearances, you will still be seeing me in the future."

Miller likes to use his version of the sleeper hold from a standing position but the results are always the same — the opponent sags unconscious to the mat.

Big Bill lifts Jack Brisco, the NWA heavyweight champion, over his head preparatory to slamming him to the mat unceremoniously.

Dr. Bill Miller has certainly been one o the top men in the profession for the past twenty years and owing to his many ring accomplishments, Dr. Bill Miller will undoubtably go down in wrestling history as one of the best men ever to put on a pair of tights.

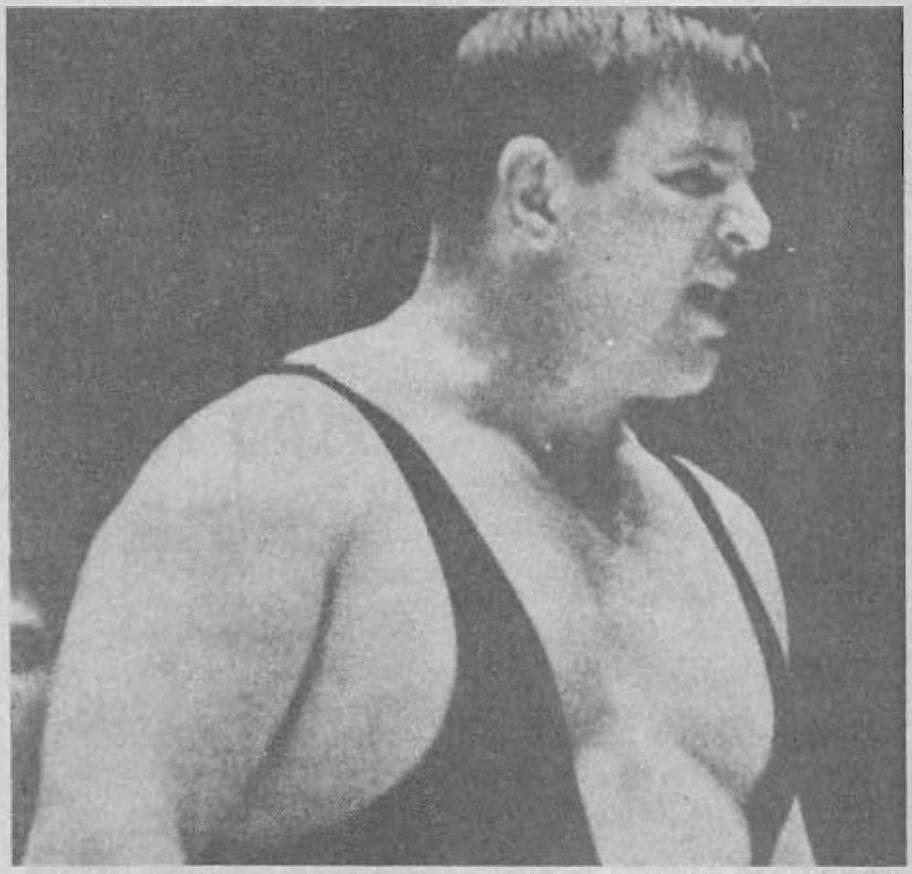
HELD TAG TITLE WITH BROTHER DAN MILLER

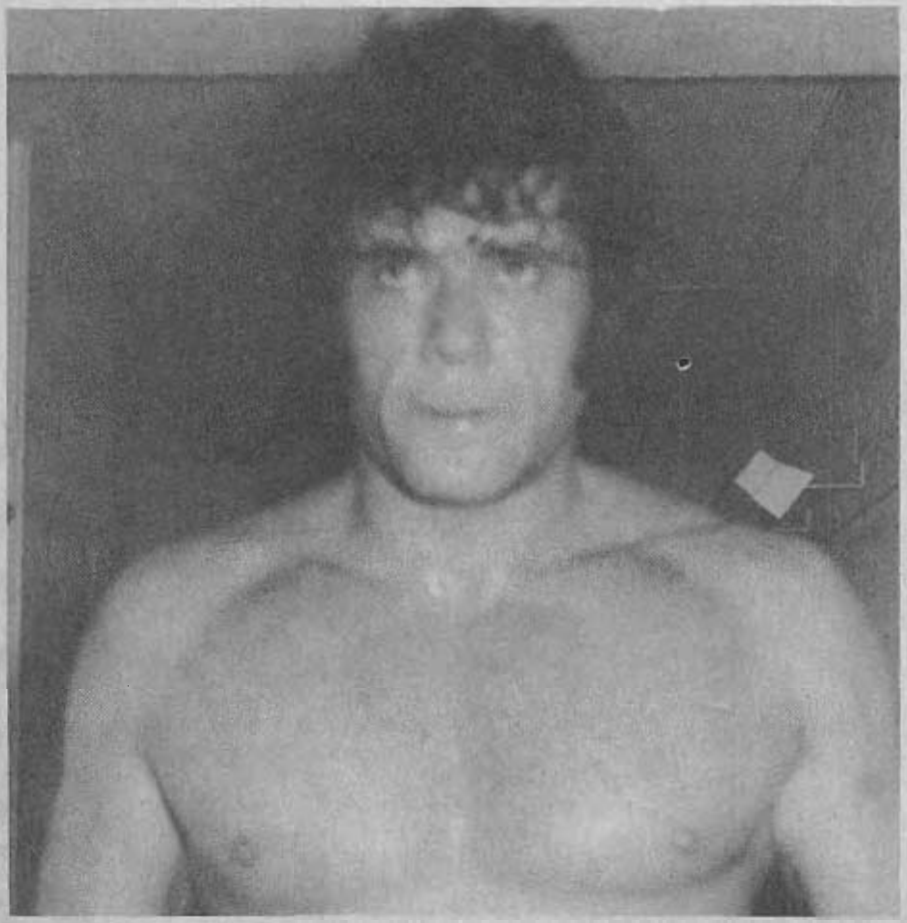


Big Bill is usually soft-speaking... that is until the bell rings and then is vitriolic blasts are enough to knock down an opponent.

As gentle as he is outside the ring, Miller doesn't mind breaking any rule if the situation warrants it. This is typical of Big Bill's tactics in a tag match.

THE WONDERFUL WORLD OF FAN CLUBS

Hi and welcome to another column. And before we get down to the important business at hand, let me remind all potential pen pals everywhere to send your name and complete mailing address to me to be recorded in my files.



Spiros Arion, locked in a feud with Bruno Sammartino, is featured in the MAIN EVENT, published for pen pals everywhere by Arnie Katz and Bill Kunkle of Richmond Hill, N.Y.

There are plenty of young people out there anxious to exchange ideas and views on the world's most exciting sport — wrestling — and of course, talk about their favorite wrestlers. You may forward all correspondence to John Arezzi, 4 Lyn Place, West Babylon, New York 11704.

The very first item on my list today is a brand new service being offered to all wrestling fans. GLOBAL WRESTLING ENTERPRISES has been organized by a very close friend of mine and fellow columnist Tom Burke of 31 Groveland Street, Springfield Mass. 01108. This new and already excellent service is one of a kind. It offers three unique services to the dedicated wrestling fan. GWE offers nostalgia wrestling sheets, a back date wrestling magazine service and a photostat service. To give you an idea of what Tom is trying to do.

Let's say that I want information on Fred Blassie. I write to Tom and tell him so and after a week or two Tom writes back to me and offers information and photostat photos on Fred dating back to his first year as a wrestler. Plus besides this service GWE puts out terrific nostalgia sheets one of which I received on Bruno Sammartino and another on Antonio Rocca. Besides the sheets and photostat service Tom offers magazines for sale (over 800 of them) dating back to the early 1950's! I have increased my magazine collection immensely since buying from Tom. But, the best thing about the entire enterprise is the prices, all very reasonable. I feel that Global Wrestling Enterprises will help all fans interested. The best of luck, Tom.

Some sad news to fans connected with fan clubs. Diana Carter has informed me that she has given up her excellent fan club for BILLY ROBINSON. Diana had run this club for many years and its just too bad that she had to give it up.

Speaking of disbanding fan clubs. As many of you know I am president of the INTERNATIONAL FREDDIE BLASSIE FAN CLUB. Due to printing problems that I have had for over a year now, starting college, and my free lance work, I am forced to disband my club after over three years in existance. I really hate to do so but I have no choice. It was a great experience running a club for such a great wrestler and now manager,

Jackie West, popular West Coast girl wrestler, has a large following including Larry Weiss of Fanwood, New Jersey, and Gary Elliott of Bowling Green, O.

and I will treasure the years I have had as president. Thank you all for all the support given to me over the years.

Mike Omansky of P.O. Box 72, Penndel, Pa. 19047 sent me the latest edition of RASSLIN WONDERS. A real fine bulletin filled with the latest wrestling info RASSLIN WONDERS sells for 75 cents a copy or 3 issues for$2.00. Send for your copy.

BALTIMORE CIVIC CENTER CLOSEUPS is an excellant publication edited by David Lopatin, 6815 Maurleen Rd. Baltimore, Md. 21209. Don't let the name fool you, this publication features stories, results and reports on wrestling capitals around the U.S. More or less, this bulletin is just like a magazine you would find on the newstands. The price is 60 cents for a sample bulletin.

Another copy of MAIN EVENT, published by Arnie Katz and Bill Kunkle, P.O. Box 163, Richmond Hill, New York 11418. This issue featured the burning feud between Bruno Sammartino and Spiros Arion, along with all the regular features and reports. Once again I have to say that Main Event surpasses most fan publications as it is professionally printed. For 75 cents you can get a sample or $3.00 for 6 action packed issues. Arnie and Bill bave given up their radio show for a few months but look for an announcement here as to when they will go back on the air.

THE UNITED EAST COAST WRESTLING NUTS FAN CLUB, Maushe Konichowsky President, 141-30 Pershing Crescent, Jamaica, New York 11435. Another fine publication, write for further information.

Wayne Stanton of 513 Pandora W., Winnipeg, Manitoba, R2C IM8, Canada, continues to publish THE MIDWESTS GREATEST MATCHES. This has to go in the class of MAIN EVENT as both are printed on a professional basis and filled with photos. The only difference between the two is Wayne's publication is a digest sized one. A very well done tribute to the Midwest's Greatest.

GREG GAGNE'S fan club is in the very capable hands of Ms. Nancy Lutzow of 408 Columbia Ave, Green Bay, Wisconsin 54303. Nancy has run the club for almost two years and her bulletins, besides giving the latest on its honarary, adds personal touches of humor. For a year's membership fee of only $3.50 you get a membership card, 5X7 color photo of Greg and the clubs bulletin. Write Nancy today if you would like to join this club for one of today's top stars.

UNIVERSAL WRESTLING, EDITOR PAUL FISHBEIN, 10025 Selmar Plaza, Philadelphia, Pa. 19116. One of, if not, the largest fan magazines out today. A fantastic bulletin.

THE GEOFF PORTZ FAN CLUB, Rosemary Lott, President, 34 Nemy Crescent, Winnipeg, Manitoba R2Y OK5 Canada.

THE LARRY HEINIEMI FAN CLUB, Carol Jean Peddycoart, 409 N. 16th St., Moorhead, Mn. 56560. Carol's bulletin, The Flying Finn, is an excellant tribute to Larry. It seems as though many of today's top clubs are run from the A.W.A. areas. And what's great about it is that they all lend a hand to help each other. That's what fan clubbing and corresponding is all about.

CANADIAN WRESTLING REVUE is published on a regular basis and it is one of the finer bulletins today featuring reports from all over the Canadian circuits. Prices are 35 cents an issue. Write to the Canadian Wrestling Revue at their address 25 Fiserville Road, Apt 809, Willowdale, Canada M2R 3B7.

Mike Ebersole of Shelby, Ohio is doing his best to boost the following of the Argentine wildman, Pampero Firpo.

when I planned to **retire before fifty**

this is the business that made it possible

a true story by John B. Haikey

Starting with borrowed money, in just eight years I gained financial security, sold out at a profit and retired.

"Not until I was forty did I make up my mind that I was going to retire before ten years had passed. I knew I couldn't do it on a salary, no matter how good. I knew I couldn't do it working for others. It was perfectly obvious to me that I had to start a business of my own. But that posed a problem. What kind of business? Most of my money was tied up. Temporarily I was broke. But, when I found the business I wanted I was able to start it for a small amount of borrowed money.

"To pyramid this investment into retirement in less than ten years seems like magic, but in my opinion any man in good health who has the same ambition and drive that motivated me, could achieve such a goal. Let me give you a little history.

"I finished high school at the age of 18 and got a job as a shipping clerk. My next job was butchering at a plant that processed boneless beef. Couldn't see much future there. Next, I got a job as a Greyhound Bus Driver. The money was good. The work was pleasant, but I couldn't see it as leading to retirement. Finally I took the plunge and went into business for myself.

"I managed to raise enough money with my savings to invest in a combination motel, restaurant, grocery, and service station. It didn't take long to get my eyes opened. In order to keep that business going my wife and I worked from dawn to dusk, 20 hours a day, seven days a week. Putting in all those hours didn't match my idea of independence and it gave me no time for my favorite sport—golf! Finally we both agreed that I should look for something else.

"I found it. Not right away. I investigated a lot of businesses offered as franchises. I felt that I wanted the guidance of an experienced company—wanted to have the benefit of the plans that had brought success to others, plus the benefit of running my own business under an established name that had national recognition.

"Most of the franchises offered were too costly for me. Temporarily all my capital was frozen in the motel. But I found that the Duraclean franchise offered me exactly what I had been looking for.

"I could start for a small amount. (Today, less than $1500 starts a Duraclean dealership.) I could work it as a one-man business to start. No salaries to pay. I could operate from my home. No office or shop or other overhead. For transportation, I could use the trunk of my car. (I bought the truck later, out of profits). And best of all, there was no ceiling on my earnings. I could build a business as big as my ambition and energy dictated. I could put on as many men as I needed to cover any volume. I could make a profit on every man working for me. And I could build little by little, or as fast as I wished.

"So, I started. I took the wonderful training furnished by the company. When I was ready I followed the simple plan outlined in the training. During the first period I did all the service work myself. By doing it myself, I could make much more per hour than I had ever made on a salary. Later, I would hire men, train them, pay them well, and still make an hourly profit on their time that made my idea of retirement possible —I had joined the country club and now I could play golf whenever I wished.

"What is this wonderful business? It's Duraclean. And, what is Duraclean? It's an improved, space-age process for cleaning upholstered furniture, rugs, and tacked down carpets. It not only cleans but it enlivens and sparkles up the colors. It does not wear down the fiber or drive part of the dirt into the base of the rug as machine scrubbing of carpeting does. Instead it *lifts out* the dirt by means of an absorbent dry foam.

"Furniture dealers and department stores refer their customers to the Duraclean Specialist. Insurance men say Duraclean can save them money on fire claims. Hotels, motels, specialty shops and big stores make annual contracts for keeping their carpets and furniture fresh and clean. One Duraclean Specialist recently signed a contract for over $40,000 a year for just one hotel.

"Well, that's the business I was able to start with such a small investment. That's the business I built up over a period of eight years. And, that's the business I sold out at a substantial profit before I was fifty."

There are dozens of styles featuring the fabulous Merlite DIA-SIM®, the man-made simulated diamond that's so brilliant, so hard, so blazingly beautiful that only a trained jeweler can be sure it's *not* a real diamond. In addition to the DIA-SIM, the Merlite Collection includes every other popular gemstone, either in natural or high-fidelity simulated form – emeralds, rubies, garnets, opals, star sapphires, and dozens of others. These exquisite stones are mounted in luxurious, designer-crafted settings of 10K filled gold, 18K heavy gold electroplate, sterling silver, even solid 14K gold! What's more, every Merlite Creation is provided with an elegant Gift Case at no extra charge – *AND with a sales-clinching Lifetime Guarantee of Satisfaction!*
